Dear Donor:

On behalf of the Board Members and Staff of the Grand Traverse County Commission on Aging, we would like to thank you for the donation you gave us in 2015.

Your gift will be reinvested back into the programs that we provide, and dedicated to benefit county residents 60 years of age and older. The need is great, although frequently not realized, until a family member or friend needs assistance to remain independent.

The GTCOA is truly fortunate to be funded by a property tax based millage. The County Voters have supported our millage every six years.

Like all taxed based budgets, the COA's fluctuates with the economy and frequently does not cover our entire budget. Your thoughtfulness makes it possible for us to do more for others. Thank you.

Sincerely yours,

Laura Green
Deputy Director
