G. Reports of Standing Committees:

1. Commissioner Kern gave a report of the Finance Committee meeting of November 30, 2018.

The committee reviewed and discussed the budget study through October. Operating revenues are exceeding operating expenses and the budget appears to be on track to end in a positive year overall for operations.

The committee reviewed and discussed the proposed Capitalization Policy. The committee recommends approval of the Capitalization Policy as presented effective January 1, 2018.

The committee discussed the airport's unfunded liability in the Municipal Employees' Retirement System (MERS). The 2017 actuarial report provided by MERS indicates an unfunded liability of approximately \$495,000. The plan was 93% funded at the time of the report. Negative investment performance through the third quarter and additional retirees will increase the unfunded liability for 2018.

The committee recommends sending MERS \$200,000 from cash reserves in 2018 to pay toward the unfunded liability.

Airport Director Klein updated the committee on negotiations with Neva Stanley.

During the Runway 10 project stump removal, Ms. Stanley's mobile home, awning and driveway were damaged. A settlement per the avigation easement has been reached with Ms. Stanley for an estimated \$19,500. \$14,000 will be paid by Wonsey Tree Service for damage repair. The balance will be paid by the NRAC with PFC funds for additional mitigation.

The committee reviewed and discussed the proposed 2019 budget. Items addressed by the Personnel Committee have been included in the budget.

The committee recommends approval of the 2019 budget by the Airport Commission.

It was moved by Commissioner Ahrns and supported by Commissioner Foerster to accept the report of the Finance Committee. MOTION PASSED.

It was moved by Commissioner Ahrns and supported by Commissioner Coco to approve the Capitalization Policy as presented effective January 1, 2018. MOTION PASSED.

It was moved by Commissioner Ahrns and supported by Commissioner Rushton to send \$200,000 from cash reserves to MERS in 2018 to pay toward the unfunded liability. MOTION PASSED.

It was moved by Commissioner Ahrns and supported by Commissioner Rushton to approve the 2019 budget as presented. MOTION PASSED.

H. Reports of Special Committees:

1. Commissioner Rushton gave a report of the Personnel Committee meeting of November 30, 2018.

The committee discussed the 2019 wages of the administrative staff. The Airport Director presented to the committee an estimated calculation of cost of living of 2.6%. The bargaining unit is scheduled to receive 2.5%.

The committee recommends increasing wages by 2.5% for 2019 for all administrative staff excluding the Airport Director.

It was moved by Commissioner Kern and supported by Commissioner Johnson to accept the report of the Personnel Committee.

2. Commissioner Ahrns gave a report of the Building and Grounds Committee meeting of December 6, 2018.

The committee reviewed the request by the City of Traverse City for sidewalk infrastructure.

Marty Colburn, City Manager, reviewed the City's request letter and an exhibit showing proposed sidewalks in the City, including Garfield Avenue over or adjacent to the airport. The City is requesting a partnership with the airport supporting \$144,000 for sidewalk improvements along both sides of Garfield Avenue.

Airport Director Klein informed the committee that the FAA would not allow airport revenue to be used for a sidewalk project with minimal direct benefit to air transportation.

Attorney Zeits indicated that direct payment for the sidewalk is not allowed under revenue diversion rules.

Airport Director Klein commented that it might be possible for the City to offset the cost of the sidewalk with funds paid for an aviation easement that the airport needs from the City.

Airport Director Klein and the committee asked Mr. Colburn questions about if the sidewalk would be wholly located in the right of way and could it be a path instead of a sidewalk. Mr. Colburn confirmed to the committee that maintenance and snow removal would be the City's responsibility.

Airport Director Klein indicated that a Runway Protection Zone (RPZ) study would need to be performed to determine whether this would be a compatible use in the RPZ, which may raise issues with respect to the current location of Garfield Avenue. The City asked to use the RPZ study of Runway 10 and update it with Prein & Newhof.

Commissioner Ahrns asked about doing this for South Airport Road, too. Airport Director Klein did not recommend at this time as it would delay the process.

Airport Director Klein identified several issues with the City transfer of the airport to the two counties and discussed with the FAA as part of the Exhibit A process:

- 80 acre parcel was purchased with grant funds but only 40 acres were transferred to the airport
  - nothing in agreement regarding severing the parcel
  - no release was obtained from the FAA
- No sponsorship transfer agreement – bound by grant assurances; still applicable:
  - 20 years or useful life, but

No limit on the duration of the assurance against exclusive rights or the terms, conditions, and assurances with respect to real property acquired with Federal funds.

- b. For land purchased for airport purposes (other than noise compatibility) under grant before, on or after December 30, 1987, it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value. That portion of the proceeds of such disposition, which is proportionate to the United States' share of the cost of acquisition of such land will be paid to the Secretary for deposit in the Trust Fund.

- c. Disposition of such land under a. and b. above will be subject to the retention or reservation on any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with the operation of the airport.
- Airport needs to acquire an aviation easement over cemetery – compatible land use grant assurance.
- City drainage pond – no easement; and creates a wildlife hazard.
- Blanket utility easement – FAA has raised a concern about this. Not conveyed for FMV at the time of transfer. Not in standard form that would have been approved by the FAA. Future right to easements also a concern. Utility easements should be determined and described. Value of easements serving other than on-airport uses should be determined.
- Reverter – the reverter clause in the quit claim deed is an issue. Because of the grant assurances and various conveyancing documents, the airport is either being used for airport purposes or it is not. If it is not, first FAA approval is required and second, these documents require FMV be paid for them and that the funds be returned to the Airport or the FAA to be utilized for airport operations. The purpose of the reverter, as we understand it, was to assure that the land would be used for an airport consistent with all of the conveyances and grant assurances that the City entered into. This is already assured by all of these documents, a process is in place for release as well as what happens to the revenue if the land is not used for airport purposes. There is no need for or benefit to the City to retain this reverter other than if the City wants to be in the airport business.
- The actual transfer of the Airport was never approved by the FAA.
- Existing aviation easements were not transferred with the airport property.

Airport Director Klein expressed concerns that a partnership needs to be both directions. Past issues with taxes, the land division act, zoning and utility easements have been challenging. Airport Director Klein expressed a willingness to work with the City to resolve the outstanding issues and accomplish the City's sidewalk goals.

The City requested correspondence outlining the various issues that need to be addressed as part of the Exhibit A process.

The committee recommends partnering with the City on the sidewalk project while solving the issues with the Exhibit A process.

Airport Director Klein reviewed information about potential solar projects at TVC. The committee discussed projects at MSP, Tallahassee and Michigan State

University. Commissioner DeYoung talked about partnering with the City and others. Mr. Colburn discussed Traverse City's goals for solar by 2020.

The committee recommends the airport conduct a study for a master plan for a long-term sustainability partnership program.

Mr. Colburn thanked the committee for the meeting and for the EDC support. Also as the EDC evolves to and EDO, Mr. Colburn looks for the continued involvement of the airport.

It was moved by Commissioner Kern and supported by Commissioner Rushton to accept the report of the Building and Grounds Committee. MOTION PASSED.

Chairman DeYoung indicated there will be a meeting on solar with several parties on January 25.

I. Unfinished Business: None

J. New Business:

1. Mead & Hunt advertised for bids on the NRAC's behalf for a multi-tasking piece of snow removal equipment. Bids were due to Mead & Hunt by December 13, 2018.

Bids were received as follows:

M – B, Company	\$699,210.45
Industrial Marketing, Inc.	\$800,701.00
Wausau Equipment Co., Inc.	\$690,744.00

The engineer's estimate was \$696,000.00. Mead & Hunt recommends that a contract for snow removal equipment – multi tasking equipment be awarded to Wausau Equipment Company, Inc. contingent upon final bid review per FAA Advisory Circular 150/5220-20 and review of Buy American Requirements as bid.

Based upon recommendation of the Airport Director and Mead & Hunt, it was moved by Commissioner Kern and supported by Commissioner Ahrns to award the contract for multi-tasking snow removal equipment to Wausau Equipment Company, Inc. in the amount of \$690,744.00; subject to review and approval by Airport Director and Airport Counsel. This piece of snow removal equipment is to be paid with PFC (Passenger Facility Charge) funds. MOTION PASSED.

2. At the September 25, 2018 meeting, the NRAC approved a proposal from Mead & Hunt to provide design engineering services for the replacement of the current CTX 5500 baggage screening machine with new 80DR units (recapitalization).

Mead & Hunt's proposal was forwarded to the TSA for review and approval. The TSA has accepted the Mead & Hunt proposal in the amount of \$218,535.81.

The TSA would like to enter into an agreement with the NRAC for implementation of the Mead & Hunt proposal. Payment will be made by the NRAC with reimbursement from the TSA.

Based upon recommendation of the Airport Director, it was moved by Commissioner Kern and supported by Commissioner Johnson to approve the agreement with the TSA for design engineering associated with the recapitalization project for Cherry Capital Airport in the amount of \$218,535.81.  
MOTION PASSED.

K. Reports of the Airport Director:

1. The Airport Director reviewed the Activity Report for the Commission.

Airport Director Klein noted that United Airlines would be announcing summer service to Washington Dulles. It will be Saturday only service on an Embraer 145 (50 seats).

2. The Airport Director reviewed the Operations Report for the Commission.
3. The Airport Director reviewed the Accounts Receivable Report for the Commission.
4. The Airport Director reviewed the Budget Report for the Commission.

L. Public Comment: None

M. Commissioner Comment:

Commissioner Kern asked Airport Director Klein if there is a spirit of cooperation after meeting with the City. Airport Director Klein responded that he believes the City Manager and City Attorney want to resolve outstanding property issues, but staff continues to be difficult. Many of today's issues were addressed in letters to city staff back in the 90's.

Commissioner DeYoung reminded everyone that there is zero tolerance for marijuana on airport property since we receive federal funding. As the City works on new regulations, they need to understand marijuana facilities would not be allowed on airport property.

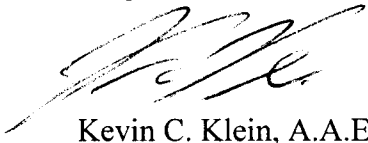

Commissioner Foerster inquired if there has been any interest in the other property parcels near Costco. Airport Director Klein indicated that there have been several inquiries, but nothing definite yet.

Airport Director Klein noted that he has a meeting schedule with Elite Airways based out of Melbourne, Florida on January 15. Elite Airways also operates in Sarasota. Elite's model of operation is similar to Allegiant.

N. Adjournment:

There being no further business to come before the Commission, the Chairman adjourned the meeting at 4:30 p.m.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'K. Klein', is written over the printed name.

### Summary of Request:

The recently passed Michigan Paid Sick Leave Law goes into effect on March 31. The law specifies employees would accrue 1 hour of paid sick leave for every 35 hours worked, up to 40 hours per year. Allows employer to limit accrual to 1 hour per week. An employer is not required to allow an eligible employee to use more than 40 hours of paid sick leave in a single benefit year or to carry over more than 40 hours of time from one benefit year to another. Time begins to accrue on the effective date or date of hire, but the employer may allow new employees to wait 90 days before using their time. Our current policy does not allow employees to begin using their personal time until six months of employment. Therefore to be compliant with the new law we will need to move up the employees' eligibility to 90 days. Our personal time policy satisfies the new law except for the time eligibility requirement.

## Paid Time off Policy

### PURPOSE

Grand Traverse County recognizes that a good balance between work and life is important. That is why employees are provided with annual vacation time and personal days to use in any way they choose. Employees are also eligible for company-paid holidays each year.

This policy describes details of paid time off, including eligibility, hours, vacation accrual, taking time off, and carrying over time. Grand Traverse County complies with all applicable state and local requirements regarding sick leave, including, but not limited to, Michigan's Paid Medical Leave Act.

Vacation days are not earned during any leaves of absence. If you are on a leave of absence the first day of a month, vacation will not accrue for that month. If you return to work on the first of the month, you will resume earning vacation on that day.

### POLICY & PROCEDURE

#### Bereavement Leave

Each regular full-time employee of the County shall be allowed bereavement leave, not to be deducted from any other leave time, for a death in the immediate family providing he or she attends the funeral. Such leave may be granted from the day of death through the date of the funeral, not to exceed three days. For the purpose of this section an immediate family member shall be deemed to be the current spouse, children, brother, sister, parent, parent-in-law, grandparents, grandchildren, or a member of the employee's immediate household. Additional leave may be granted without pay or charged to personal or vacation leave.

Time off shall also be granted for the death of current sister/brother-in-law, step mother/father, step sister/brother, step children, with time off charged against any accumulated leave time. For out of state funerals employees shall be permitted to take up to two additional days leave of absence without pay or, at the option of the employee, to use accumulated leave time. Time off for bereavement leave will not count as hours worked for the purpose of overtime.

#### Holidays

The County recognizes the following paid holidays for all regular full-time and regular part-time (on a pro-rated basis) non-contract employees:

New Year's Day	Independence Day	Day after Thanksgiving
President's Day	Labor Day	Christmas Eve Day
Good Friday	Veteran's Day	Christmas Day
Memorial Day	Thanksgiving Day	New Year's Eve Day
Floating Holiday		

When a holiday falls on Sunday, the following day shall be the recognized holiday. When a holiday falls on Saturday, the preceding day shall be the recognized holiday.

If one of the above holidays falls during a period when an employee is on authorized paid leave, the holiday shall be counted as a holiday off and shall not be deducted from the employee's leave accumulation.

To be eligible for holiday pay an employee must have worked in full their regularly scheduled straight time work day prior to the holiday and the regularly scheduled straight time work day subsequent to the holiday (or be on authorized paid leave).

Regular employees covered under FLSA who are scheduled and required to work on a paid holiday shall receive holiday pay plus his/her regular day's pay for a day worked. When called in to work on a paid holiday the employee shall receive time and one half plus holiday pay for hours worked.

The Floating Holiday shall be credited to the employee as of January 1st, in the first pay period of the calendar year. Employees who are hired on or after October 1st shall not be granted the floating holiday. Such holidays shall not accrue from year to year, or be paid out for any reason.

### **Jury Duty/Subpoena**

Leave with full pay may be authorized in order that employees may serve required jury duty or testify pursuant to a subpoena, provided that such leave is reported in advance to the department head, that the duty falls during their regular work schedule, and that court fees (less mileage) obtained as a witness or juror are turned over to the County Treasurer. Employees are expected to return to work after being excused from service.

### **Personal Leave**

Each regular full-time employee and regular part-time employee (on a pro-rated basis) shall be granted eight (8) days of personal leave each year. New hires shall receive an initial pro-rated amount of leave upon completion of ninety days of continuous employment with Grand Traverse County.

This leave may be used for the employee's personal health needs, a family member's health needs, for purposes arising out of domestic violence or sexual assault, or during closure of the employee's primary worksite by order of a public official due to a public health emergency. Twenty-four hours' notice and prior approval by the supervisor is required for general absences, and at least one hour's notice prior to the beginning of the shift is required for illness, unless the employee can show in writing why prior notification was impossible. Time must be used in ½ hour increments. When the absence is for sickness (regardless of which, if any, leave bank is charged), the employer reserves the right to request a doctor's certification. Claim for payment must be submitted on a form provided by the Employer.

Any balance left, up to a maximum of five days (pro-rated for part-time employees), following the last full pay period paid in November shall be paid at the employee's prevailing hourly rate in a separate check on the first pay date in December.

Employees who leave employment mid-year shall be paid for any balance, up to a maximum of five days (pro-rated for part-time employees), on their final paycheck.

Those employees who are hired prior to December 1, 1988, and who selected Plan A on the "Employee Election of Sick Conversion/Payment Plan" prior to November 30, 1988, shall have the

balance of the eight days each year converted to their frozen Sick Leave Bank, up to a maximum of 120 days.

## **Vacation Leave**

Each regular full-time and regular part-time (on a prorated basis) employee shall earn vacation leave credit according to the following schedule. Employees accrue vacation leave during their first six months of employment, however it cannot be taken until completing six months.

<b>Years of Service</b>	<b>Days per Year</b>	<b>Hours Accrued Bi-weekly</b>	
		(75 hours)	(80 hours)
Less than 3	10	2.884	3.076
3 but less than 5	12	3.461	3.692
5 but less than 10	15	4.326	4.615
10 but less than 15	17	4.9	5.23
15 but less than 25	20	5.769	6.153
25 or more	25	7.211	7.692

Vacation leave will be credited biweekly to the employee's "bank" up to a maximum carry-over of 20 days on the employee's service date. The maximum amount of vacation hours you accrue is determined by your rate of accrual. Once that maximum is reached, further accruals will cease until the vacation hours are taken and fall below the maximum allowed.

Department heads shall determine the suitable time at which vacation may be taken, considering both the efficiency of the operation of the department concerned and the wishes of the employee.

Vacation leave taken may not exceed the total amount of vacation leave accrued as of that date. Employees leaving the County in good standing shall be compensated for vacation leave accrued to the date of separation within the limits set forth above. This will be paid on the employee's final paycheck. The County retains the discretion to deny vacation payout in the case of involuntary termination.

Leave benefits may differ for employees who are members of recognized unions, organizations, or associations.

Note: This policy may differ for those employees who are members of recognized unions, organizations, or associations. Any questions related to the content of this policy, or its interpretation, should be directed to Human Resources. This policy is in no way affiliated with Michigan Mandatory Paid Sick Leave (Public Act 369).

**CONTRACT BETWEEN GRAND TRAVERSE COUNTY  
AND  
LAND INFORMATION ACCESS ASSOCIATION**

**AGREEMENT**

This Agreement is made this \_\_\_\_ day of \_\_\_\_\_, 2019, by and between Grand Traverse County, a Michigan municipal corporation ("the County"), of 400 Boardman Avenue, Traverse City, MI, 49684 and Land Information Access Association ("LIAA"), a Michigan nonprofit corporation, of 324 Munson Avenue, Traverse City, Michigan, 49686 who agree as follows:

**RECITALS**

1. The County desires to have video recordings made of the meetings of the Board of Commissioners and other boards and commissions.
2. The County wishes to have the video recordings of its boards and commissions cablecast on government access television, known as Government TV (Charter Cable Channel 191).
3. Through contractual obligations with the City of Traverse City, Garfield Charter Township, East Bay Charter Township, and Elmwood Charter Township (collectively, "Participating Municipalities"), LIAA is responsible for the operation of government access television, known as Government TV (Charter Cable Channel 191) as well as public access television, known as UpNorth TV (Charter Cable Channel 189).
4. The Participating Municipalities contribute a portion of the franchise payments they receive from Charter Communications to cover operating costs of both Government TV and UpNorth TV.
5. The Participating Municipalities have formed a government access television advisory committee to provide direction to LIAA in operating Government TV. This advisory committee has directed LIAA to extend an invitation to other local units of government within the viewing region to cablecast their official meetings on Government TV in exchange for a contribution of funds toward the operation of Government TV and UpNorth TV.
6. The County agrees to contribute funds as outlined in Section 5 for the cablecast of regularly scheduled meetings of its boards, committees or commissions. The funds will be used to support the operation of Government TV and Up North TV.
7. The County may elect web-based archiving and playback services for the meetings that are recorded for cablecast. The County will contribute funds in support of the archiving and playback services based on the total number of boards, committees and commissions the County selects for this service.
8. The County may select "other video content" that is of interest to the County for web-based archiving and playback services. This includes any video content not specifically generated by a County board, commission or committee. The "other video content" will be limited to a total of 45 GBs of digital storage space and the entire block of content will be treated and counted as though it were a single commission or committee for archiving, playback and contribution purposes.

**NOW, THEREFORE**, in consideration of the mutual promises and covenants set forth herein, the parties agree as follows:

**SECTION 1. SCOPE OF SERVICES.** In exchange for the funding provided by the County to LIAA (See SECTION 5), pursuant to this Agreement, LIAA shall provide the following services:

- A. ASSIST WITH SCHEDULING THE NECESSARY VIDEOGRAPHERS.** At the County's discretion, and with at least one month of advanced notification, LIAA will make the arrangements with contractors to assure that a properly trained videographer is available to record the governmental meetings covered by this agreement. The videographer fees are charged to the County on an hourly basis and are not included in the funding structure outlined in Section 5. Videographers are compensated \$20 - \$25 per hour, depending on experience. One half hour (0.5 hours) will be added to the actual time for each meeting to account for setup, breakdown and managing video content. Regardless of actual length, each meeting will be charged for a minimum of 2 hours. LIAA will provide monthly invoices to the County reflecting actual videographer fees for the prior time period, which are due upon receipt.
- B. PROVIDE FOR VIDEO TRANSFER AND DIGITAL ENCODING.** For each meeting, LIAA will obtain the digital video data prepared by the videographer and encode each video record for cablecasting.
- C. CABLECAST OF MEETINGS FOR EACH BOARD OR COMMISSION.** LIAA will cablecast the meetings for each Board or Commission identified by the County under this agreement on Government TV.
- D. SCHEDULE CABLECAST OF LIVE AND RECORDED MEETINGS.** Consistent with the *Policies of the Operation of Government Access Cable Television Channel 191*, LIAA will schedule the cablecast of each County meeting. Whenever possible and appropriate, these meetings will be cablecast as they occur (i.e., "live"), as described in the *Policies of the Operation of Government Access Cable Television Channel 191*.
- E. CABLECAST VIDEO RECORDINGS THREE TIMES.** Provided that the County informs LIAA of all meeting times and dates at least one month in advance, and consistent with the *Policies of the Operation of Government Access Cable Television Channel 191*, LIAA will cablecast each designated County government meeting at least three times.
- F. PUBLISH A SCHEDULE.** The County shall provide LIAA with the names and schedules of meetings of all boards, committees and commissions it has selected to be included at the start of this agreement. LIAA will develop and publish a schedule on the Government TV website of County meetings to be cablecast on Government TV under this agreement at least once per month. Further, if the County properly notifies LIAA of the changes, the schedule of meetings shall be updated for any changed meeting times.
- G. MEETING CANCELLATIONS.** Scheduled meetings that are cancelled by the County prior to the meeting will not be counted as a meeting provided that the County gives LIAA at least 24 hours of advanced notice. If notice is less than 24 hours, the County *may* be charged as though the meeting occurred, including the videographer costs.
- H. WEBSTREAMING.** LIAA will provide web-based playback services for the videos of each meeting that is recoded and cablecast for the County. LIAA will retain the digital videos in the playback service for a period of two years from the date of the meeting. Note that this does not constitute an archive for the purposes of the Freedom of Information Act (FOIA). If the County

elects, LIAA will provide web-based playback services for “other video content” for up to 45 GB of digital video data. LIAA will retain these digital video records in the web playback service for two years from the date of first publication.

- I. **PROVIDE FOR INDEXING AND SEARCHING.** LIAA will provide the capability for the County to create index time points for each video commensurate with items in the meeting agenda. The County will be responsible for creating the index points and uploading supporting documents in specified formats to the UpNorth Media Center website. LIAA will provide search capability for the meeting agenda and minutes if properly formatted.
- J. **INCLUDE INTERESTS OF THE COUNTY IN UP NORTH TV PRODUCTIONS.** At the discretion of LIAA and the County, LIAA will include the interests and concerns of County government in the development and completion of video productions for the Public Access Television Station *UpNorth TV*, as appropriate.

**SECTION 2. COPYRIGHT AND OWNERSHIP.** LIAA shall own the copyright of any programs that LIAA produces. The County shall own the copyright of any programs produced by or on behalf of the County.

**SECTION 3. INDEPENDENT CONTRACTOR.** It is understood and agreed that each party shall be considered an independent contractor and not an agent or employee of the other. No agents or employees of either party may be considered an agent or employee of the other party. Each party shall remain responsible for any claims arising out of their own acts or omissions during the performance of this Agreement, as provided by law. This Agreement is not intended to increase any party's liability for, or immunity from, tort claims. If, in the performance of this Agreement, any third persons are employed by LIAA, such persons shall be entirely and exclusively under the control, direction and supervision of LIAA. All terms of employment, including hours, wages, working conditions, discipline, hiring and discharging or any other term of employment shall be determined by LIAA and the County shall have no right or authority over such persons or terms of employment.

**SECTION 4. ASSIGNMENT AND SUBLETTING.** Neither this Agreement nor any interest herein shall be assigned or transferred by LIAA, except as expressly authorized in writing by the County.

**SECTION 5. FUNDING AND OTHER RESOURCES.** The County agrees to make the following funds and resources available to LIAA. All services must be used during the term during which they are applied; services may not be carried forward into subsequent terms. These services do not include any costs for videographers, which are outlined separately in Section 1A.

- A. Basic Meeting Services: For each board, committee, commission or other entity with regularly scheduled meetings that the County wishes to include in the cablecast agreement, the County shall contribute \$1,000 to LIAA for cablecasting up to 15 meetings during the term of the Agreement.
- B. Additional Meeting Services: If any board, committee or commission holds meetings in excess of the 15 meetings during the term of the Agreement, the County may choose to cablecast additional meetings for an additional cost:
  - i. The County may purchase each additional meeting separately at a cost of \$85 per meeting.
  - ii. The County may purchase an additional block of 15 meetings at a cost of \$1,000. The additional block of meetings may be applied to *any* of the County's Commission, Board,

or other meetings that have already been paid for under the Basic Meeting Services and that have exceeded the 15 meeting threshold.

- iii. The options for Additional Meeting Services are not mutually exclusive.
- iv. All Additional Meeting Services must be paid for prior to the cablecasting of any such meetings.

C. Webcasting Services: At the County's option, meetings can be made available for web-based viewing for a term up to two (2) years. If the County designates five (5) or fewer boards, committees or commissions, the County shall provide LIAA \$500 per year for web-based playback services for each (regardless of the number of meetings). If the County designates six (6) or more boards, committees or commissions, the contributions to LIAA shall be \$400 each. The County will also contribute funds for web-based playback services of "other video content" not generated by commission or committee meetings. The "other video content" will be treated like and counted as a single commission or committee and is limited to 45 GB in total digital content.

**SECTION 6. RECEIPT OF APPROVED FUNDING.** The County shall make payment for one year of Basic Meeting Services and Webcasting Services for all Commissions, Boards or other entities to be covered by this agreement within 60 days of the start of this agreement. If, at any point, the County determines it would like Additional Meeting Services within the year, it shall provide additional payment to LIAA prior to the date of such services.

**SECTION 7. TERM OF AGREEMENT.** This Agreement shall be for one (1) year commencing on the January 1, 2019 and ending on December 31, 2019. This Agreement is renewable for up to two (2) consecutive additional one (1) year terms so long as payment for the subsequent term is received prior to the end of an existing term. If the policy governing the operations of GovernmentTV is updated, LIAA reserves the right to make adjustments to the terms of this agreement in any subsequent term by providing 30 days advance written notice to the County before the start of the term during which the changes would be applied.

**SECTION 8. TERMINATION OF AGREEMENT.**

- A. If the County determines that LIAA has failed to perform or will fail to perform all or any part of the services, obligations, or duties required by this Agreement, the County may terminate or suspend this Agreement in whole or in part following a written notice of forty five (45) days or longer.
- B. If because of Force Majeure either party is unable to carry out any of its obligations under this agreement, other than obligations of such party to pay or expend money for or in connection with the performance of this Agreement, and if such party promptly gives to the other party concerned written notice of such Force Majeure, then the obligations of the party giving such notice will be suspended to the extent made necessary by such Force Majeure and during its continuance, provided the effect of such Force Majeure is eliminated insofar as possible with all reasonable dispatch. For the purposes of this Agreement, "Force Majeure" indicates unforeseeable events beyond a party's reasonable control and without such party's fault or negligence, including, but not limited to, acts of God, acts of public enemy, acts of the federal government, acts of another party to this agreement, fire, flood, inclement weather, epidemic, quarantine restrictions, strikes and embargoes, labor disturbances, the unavailability of raw materials, legislation, charter amendments or referendum, orders or acts of civil or military authority, injunctions, or other causes of a similar nature which wholly or substantially prevent

performance. If the suspension of work lasts for more than 30 days, the County may terminate this agreement.

- C. LIAA shall have the right upon forty five (45) days written notice to the County to terminate this Agreement.

**SECTION 9. INTERPRETATION.** This Agreement shall be governed by the laws of the State of Michigan, both as to interpretation and performance. This Agreement was drafted at the joint direction of both parties. The pronouns and relative words used herein are written in the neuter and singular. However, if more than one person or entity joins in this Agreement on behalf of LIAA, or if a person of masculine or feminine gender joins in this Agreement on behalf of LIAA, such words shall be interpreted to be in the plural, masculine or feminine as the sense requires. In the event that any term, clause or provision of this Agreement conflicts with any term, clause, or provision contained in any attachments to this Agreement, this Agreement's terms shall prevail.

**SECTION 10. AUTHORITY TO EXECUTE.** The parties agree that the signatories appearing below have the authority and are duly authorized to execute this Agreement on behalf of the party to the Agreement.

**SECTION 11. COOPERATION.** Each party agrees to execute all documents and do all things necessary and appropriate to carry out the provisions of this Agreement.

Traverse Area District Library Member Selection Policy

**Grand Traverse County  
Traverse Area District Library Board Member Selection Policy**

- I. **Policy Statement:** The purpose of this policy is to provide the Board of Commissioners guidance in appointing members to the Traverse Area District Library (“TADL”) Board as provided in the Traverse Area District Library Agreement (“the TADL Agreement”), which Grand Traverse County and City or City of Traverse City executed on December 16, 2013.
- II. **Statutory Authority:** The Board of Commissioners may enter into intergovernmental contracts with other municipal entities pursuant to MCL 124.1 et seq. The Board of Commissioners may also establish rules and regulations to manage the interest and business of the County under MCL 46.11.
- III. **Policy Standards:** Consistent with Section A(1) through (4) of the TADL Agreement, County Commissioners shall use the following criteria when selecting a member of the TADL Board of Directors:
  1. Under the terms of the Agreement, the County Board of Commissioners selects five of the seven members of the TADL Board. All five of the County’s appointees must be County residents.
  2. The Board shall not appoint a member who resides in the same district as another County appointed member of the TADL Board. By way of an example, if a County resident who resides in District 1 serves on the TADL Board term ending in 2020, and in 2019, another member’s term ends thereby causing a vacancy on the Board, the Board of Commissioners may not appoint a resident of District 1 to fill that vacancy.
  3. If a vacancy exists on the TADL Board, prior to filling the vacancy, the County Administrator, acting on behalf of the Board of Commissioners, shall send a letter to the boards of the member libraries - Fife Lake Public Library, Interlochen Public Library and Peninsula Community Library. In this letter, the Administrator will ask each member library board to provide recommendations for appointment of a resident who resides in the member library commission districts. The Fife Lake Public Library covers District 7, Interlochen Public Library, Districts 4 and 5, and Peninsula Community Library District 1. The Administrator will request a response be provided from each member library board within 14 days of the date of the letter.
  4. If the member library board provides the County Administrator with the names of recommended residents, County Administration staff shall contact these individuals, and request that they submit applications to serve on the TADL Board if they desire to serve on the TADL Board.
  5. County Administration staff shall also advertise a vacancy by posting notice of the vacancy in the Record Eagle and on the County’s website. The advertisement shall requests county residents to submit applications to County Administration.

6. County Administration staff shall submit the names of all applicants, including those recommended by the member library boards and those who submitted applications in response to the advertisement, to a Board of Commissioner Ad Hoc Committee whose purpose is to review the names of all residents who desire to serve on the TADL Board, interview the applicants, and recommend to the Board of Commissioners selection of an applicant to serve as a member of the TADL Board.
7. If the member library boards provide names of recommended residents for appointment, and those individuals submitted applications to County Administration, the Ad Hoc Committee shall give the recommended applicants preference. "Preference" means that if the Ad Hoc Committee is considering multiple applicants and all possess the same backgrounds, qualifications, interpersonal skills, and suitability for the position, then the Board of Commissioners shall select the member-library-board-recommended applicant provided the other criteria outlined above in Paragraphs 1 and 2 are satisfied.
8. If none of the member library boards responds to the Administrator's letter then, County Administration staff shall submit the applications of those who responded to the advertisement. The Ad Hoc Committee shall select an appointee to the TADL Board after considering where each candidate resides and making a good faith effort to ensure geographic diversity on the TADL Board and representation for districts with member libraries. Such efforts should not, however, be considered more important than appointment of the most qualified candidates.
9. County Administration staff shall provide the Ad Hoc Committee with a copy of this policy, and the TADL Agreement prior to the meeting where the Committee will interview candidates and make a selection. In making a selection, a member of the Ad Hoc Committee who moves to select an applicant for appointment shall state the basis for the selection with reference to this policy and the TADL Agreement.

IV. **Policy Review.** The Board of Commissioners shall review this Policy at least every three years, or when the Board of Commissioners and City Commissioners terminate, amend or enter into a new TADL Agreement.

NOW, THEREFORE, BE IT RESOLVED BY THIS BOARD OF COMMISSIONERS THAT Grand Traverse County approves the Traverse Area District Library Board Selection Policy attached hereto and hereby becoming a part of this resolution.

Agenda Item Title:	Refunding Grand Traverse County Wastewater Treatment Bonds		
Estimated Time:	5 minutes <small>(in minutes)</small>	Laptop Presentation:	<input type="radio"/> Yes <input type="radio"/> No

### Summary of Request:

Bond counsel has reviewed the Grand Traverse County - Traverse City Wastewater Treatment Plant Upgrade Refunding Bonds, Series 2011 and has identified that outstanding bonds totalling \$6,450,000 and bearing a coupon interest rate of 4.0% could be refunded and generate approximately \$150,000 in savings due to the lower interest rates that are anticipated with the refunding bonds. With a refunding bond issue the current or prior bonds are retired and replaced with a new series of bonds. The term of the bonds does not change and we anticipate that we can issue the refunding bonds at interest rates ranging from 2.4 to 2.6% versus the coupon rate of 4.0% on the current bonds. The county treasurer and finance director have worked with the City of Traverse City and the townships of Acme, East Bay, Elmwood, Garfield, and Peninsula to explain the process and the potential savings. The Board of Public Works will consider a resolution to authorize the refunding bonds at their meeting on February 14, 2019. We are considering a Request for Proposals to local banks initially to sell the refunding bonds. If we are not able to realize favorable interest rates using this process we would then look at the more traditional method of bond sale which would then require a bond rating and the sale of the bonds in the financial markets.

### Suggested Motion:

Discussion and approval of the attached Resolution to authorize the issuance of the Grand Traverse County - Wastewater Treatment Plant Upgrade Refunding Bonds, Series 2019.

WHEREAS, the Board of Public Works has recommended that this resolution be adopted in order to effect the refunding of all or part of the Prior Bonds and the Board of Public Works has determined that it is in the best interest of the Municipalities and the County that such refunding be undertaken.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. AUTHORIZATION OF BONDS - PURPOSE. Bonds of the County, aggregating the principal sum of not to exceed Six Million Six Hundred Thousand Dollars (\$6,600,000) (the "Refunding Bonds") shall be issued and sold pursuant to the provisions of Act 34, and other applicable statutory provisions, for the purpose of refunding all or part of the Prior Bonds; subject, however, to adjustment as described under "DECREASE IN AGGREGATE AMOUNT OF REFUNDING BONDS", Section 4.

2. BOND DETAILS. The Refunding Bonds shall be designated "Grand Traverse County – Wastewater Treatment Plant Upgrade Refunding Bonds, Series 2019"; shall be dated as of such date as shall be approved by the County Treasurer at the time of sale; shall be numbered from 1 upwards; shall be fully registered; shall be in the denomination of \$5,000 each or any integral multiple thereof not exceeding the aggregate principal amount for each maturity at the option of the purchaser thereof; shall bear interest at a rate or rates not exceeding 6% per annum to be determined upon the sale thereof payable on such dates as shall be determined by the County Treasurer at the time of sale; and shall mature on such dates and in such years as shall be determined by the County Treasurer at the time of sale.

3. ADJUSTMENT OF REFUNDING BOND MATURITIES. The County Treasurer is authorized by order in the form attached as EXHIBIT A to adjust the amounts of the maturities of the Refunding Bonds, as set forth in Section 4.

4. DECREASE IN AGGREGATE AMOUNT OF REFUNDING BONDS. In the event the amount necessary to refund the Prior Bonds shall be less than \$6,600,000, the County Treasurer shall decrease the principal amount of the Refunding Bonds by any amount, to the extent required to avoid the issuance of more Refunding Bonds than will be required in light of the amount of Refunding Bonds to be issued and bids received, which decrease may be applied to any one or more of the maturities and the Request for Proposal attached as EXHIBIT B shall so provide or be changed accordingly. In the event that any one or more of the Municipalities determines to contribute additional amounts toward the refunding of the bonds, the bonds shall further be reduced by the amount of such contribution.

5. PAYMENT OF PRINCIPAL AND INTEREST. The principal of and interest on the Refunding Bonds shall be payable in lawful money of the United States. Principal shall be payable upon presentation and surrender of the bonds to the bond registrar and paying agent as they severally mature. Interest shall be paid to the registered owner of each bond as shown on

Interest shall be paid when due by check or draft drawn upon and mailed by the bond registrar and paying agent to the registered owner at the registered address.

6. PRIOR REDEMPTION. The Refunding Bonds shall not be subject to redemption prior to maturity.

7. (A) BOND REGISTRAR AND PAYING AGENT/BOOK ENTRY DEPOSITORY TRUST. The County Treasurer shall designate, and shall enter into an agreement with, a bond registrar and paying agent for the Refunding Bonds which shall be a bank or trust company located in the State of Michigan which is qualified to act in such capacity under the laws of the United States of America or the State of Michigan. The County Treasurer from time to time as required may designate a similarly qualified successor bond registrar and paying agent. If so designated the Refunding Bonds shall be deposited with a depository trustee designated by the Director who shall transfer ownership of interests in the Refunding Bonds by book entry and who shall issue depository trust receipts or acknowledgments to owners of interests in the Refunding Bonds. Such book entry depository trust arrangement, and the form of depository trust receipts or acknowledgments, shall be as determined by the Director after consultation with the depository trustee. The Director is authorized to enter into any depository trust agreement on behalf of the Department of Public Works upon such terms and conditions as the Director shall deem appropriate and not otherwise prohibited by the terms of this Resolution, which Contract shall be executed by the Director. The depository trustee may be the same as the Registrar otherwise named by the Director, and the Refunding Bonds may be transferred in part by depository trust and in part by transfer of physical certificates as the Director may determine.

(B) Exchange and Transfer of Bonds.

(i) The Refunding Bonds, upon surrender thereof to the bond registrar and paying agent with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or his duly authorized attorney, at the option of the registered owner thereof, may be exchanged for Refunding Bonds of any other authorized denominations of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered Refunding Bonds.

(ii) The Refunding Bonds shall be transferable upon the books of the County, which shall be kept for that purpose by the bond registrar and paying agent, only upon surrender of such Refunding Bonds together with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or his duly authorized attorney.

(iii) Upon the exchange or transfer of the Refunding Bonds, the bond registrar and paying agent on behalf of the County shall cancel the surrendered Refunding Bonds and shall authenticate and deliver to the transferee new Refunding Bonds of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered Refunding Bonds. If, at the time the bond registrar and paying agent authenticates and delivers new Refunding Bonds pursuant to this Section, payment of interest on the Refunding Bonds is in default, the bond registrar and paying agent shall endorse upon the new Refunding Bonds the following: "Payment of interest on this bond is in default. The last date to which interest has been paid is \_\_\_\_\_, \_\_\_\_."

(iv) The County and the bond registrar and paying agent may deem and treat the person in whose name the Refunding Bonds shall be registered upon the books of the County as the absolute owner of such Refunding Bonds, whether such Refunding Bonds shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Refunding

Bonds and for all other purposes, and all payments made to any such registered owner, or upon his or her order, in accordance with the provisions of Section 5 of this Resolution shall be valid and effectual to satisfy and discharge the liability upon such Refunding Bonds to the extent of the sum or sums so paid, and neither the County nor the bond registrar and paying agent shall be affected by any notice to the contrary. The County agrees to indemnify and save the bond registrar and paying agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

(v) For every exchange or transfer of the Refunding Bonds, the County or the bond registrar and paying agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(vi) The bond registrar and paying agent shall not be required to transfer or exchange the Refunding Bonds or portion of the Refunding Bonds which has been selected for redemption.

8. EXECUTION, AUTHENTICATION AND DELIVERY OF BONDS. The Refunding Bonds shall be executed in the name of the County by the facsimile signatures of the Chairman of the Board of Commissioners and the County Clerk and authenticated by the manual signature of an authorized representative of the bond registrar and paying agent, and the seal of the County (or a facsimile thereof) shall be impressed or imprinted on the Refunding Bonds. After the Refunding Bonds have been executed and authenticated for delivery to the original purchaser thereof, they shall be delivered by the County Treasurer to the purchaser upon receipt of the purchase price. Additional Refunding Bonds bearing the facsimile signature of the Chairman of the Board of Commissioners and the County Clerk and upon which the seal of the County (or a facsimile thereof) is impressed or imprinted may be delivered to the bond registrar and paying agent for authentication and delivery in connection with the exchange or transfer of the Refunding Bonds. The bond registrar and paying agent shall indicate on each Refunding Bond the date of its authentication.

9. QUALIFIED TAX-EXEMPT OBLIGATIONS. The Bonds are not to be designated as "qualified tax-exempt obligations" as described in Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended unless, at the time the Request for Proposal is circulated, it is determined that the Refunding Bonds are eligible for such designation, in which event the Request for Proposal shall be so changed and the Refunding Bonds shall be so designated.

10. ESCROW AGENT: Proceeds from the Refunding Bonds will be transferred to The Huntington National Bank, Grand Rapids, Michigan, as escrow agent (the "Escrow Agent") under an escrow agreement (the "Agreement"), who will use such proceeds to acquire investment obligations sufficient to pay principal of, premium, if any, and interest on the Refunded Bonds when due or upon the first permissible redemption date for the Refunded Bonds.

**REFUNDING BOND DETAILS:** The Refunding Bonds will be dated \_\_\_\_\_ 1, \_\_\_\_\_ and will be known as "Grand Traverse County – Wastewater Treatment Plant Upgrade Refunding Bonds, Series 2019". The Refunding Bonds will be fully registered Refunding Bonds, both as to principal and interest, in any one or more denominations of \$5,000 or a multiple of \$5,000, numbered from 1 upwards and will bear interest from their date of issuance payable \_\_\_\_\_ 1, \_\_\_\_\_ and semi-annually thereafter on each \_\_\_\_\_ 1 and \_\_\_\_\_ 1 until maturity. The Refunding Bonds will mature on \_\_\_\_\_ 1 of each year as follows:

<b><u>YEAR</u></b>	<b><u>AMOUNT</u></b>	<b><u>YEAR</u></b>	<b><u>AMOUNT</u></b>	<b><u>YEAR</u></b>	<b><u>AMOUNT</u></b>
--------------------	----------------------	--------------------	----------------------	--------------------	----------------------

**PRIOR REDEMPTION:** The Refunding Bonds shall not be subject to redemption prior to maturity.

**INTEREST RATE AND PROPOSING DETAILS:** The Refunding Bonds shall bear interest at a rate or rates not exceeding 6% per annum, to be fixed by the proposals therefor, expressed in multiples of 1/8 or 1/20 of 1%, or both. The interest on any one bond shall be at one rate only. All bonds maturing in any one year must carry the same interest rate. THE INTEREST RATE BORNE BY BONDS MATURING IN ANY YEAR SHALL NOT BE AT A RATE LOWER THAN THE RATE BORNE BY BONDS MATURING IN ANY PRECEDING YEAR. No proposal for the purchase of less than all of the Refunding Bonds, at a price less than \_\_\_\_% of their par value or at an interest rate or rates that will result in a net interest cost exceeding 6%, will be considered.

**TERM BOND OPTION:** Refunding Bonds maturing in the years \_\_\_\_-\_\_\_\_, inclusive, are eligible for designation by the original purchaser at the time of sale as serial bonds or term bonds, or both. There may be more than one term bond maturity. However, principal maturities designated as term bonds shall be subject to mandatory redemption, in part, by lot, at par and accrued interest on \_\_\_\_\_ 1st of the year in which the Refunding Bonds are presently scheduled to mature. Each maturity of term bonds and serial bonds must carry the same interest rate. Any such designation must be made at the time the proposals are submitted.

**BOOK-ENTRY-ONLY:** The Refunding Bonds will be issued in book-entry-only form as one fully-registered bond per maturity and will be registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the Refunding Bonds. Purchase of the Refunding Bonds will be made in book-entry-only form, in the denomination of \$5,000 or any multiple thereof. Purchasers will not receive certificates representing their interest in Refunding Bonds purchased. The book-entry-only system is described further in the nearly final official statement for the Refunding Bonds.

**BOND REGISTRAR, PAYING AGENT AND DATE OF RECORD:** The Huntington National Bank, Grand Rapids, Michigan has been selected as paying agent and bond registrar (the "Bond Registrar") for the Refunding Bonds. The Bond Registrar will keep records of the registered holders of the Refunding Bonds, serve as transfer agent for the Refunding Bonds, authenticate the original and any re-issued refunding bonds and pay interest by check or draft mailed to the registered holders of the Refunding Bonds as shown on the registration books of the County kept by the Bond Registrar on the applicable date of record. The date of record for each interest payment shall be the 15th day of the month before such payment is due. The principal of and redemption premium, if any, on the Refunding Bonds will be paid when due upon presentation and surrender thereof to the Bond Registrar. As long as DTC, or its nominee Cede & Co., is the registered owner of the Refunding Bonds, payments will be made directly to such registered owner. Disbursement of such payments to DTC participants is the responsibility of DTC and disbursement of such payments to the beneficial owners of the Refunding Bonds is the responsibility of DTC participants and indirect participants as described in the nearly final official statement for the Refunding Bonds. The County may from time to time as required designate a successor bond registrar and paying agent.

**PURPOSE AND SECURITY:** The Refunding Bonds are being issued pursuant to Act No. 185, Public Acts of Michigan, 1957, as amended ("Act 185") and; Act No. 34, Public Acts of Michigan, 2001, as amended ("Act 34"); and the County's Resolution for the purpose of advance refunding the outstanding Grand Traverse County \_\_\_\_\_, dated \_\_\_\_\_ maturing in the years \_\_\_\_ through \_\_\_\_ (the "Refunded Bonds"), of which \$\_\_\_\_\_ remains outstanding. The Refunding Bonds are issued in anticipation of, and are primarily payable from, moneys to be received by the County from the \_\_\_\_\_ (the "Municipalities") and the pursuant to a certain contract between the County and the Municipalities dated as of \_\_\_\_\_ (together the "Contract"), to defray part of the cost of acquiring and constructing the \_\_\_\_\_ as described in the Contract. The

County has irrevocably pledged to the payment of said bonds the total contractual payments, which payments are payable at such times and are established in such amounts as are required to pay the entire principal of and interest on the bonds promptly when due. As additional security for the payment of the bonds and the interest thereon, the County, as authorized by law, has pledged its full faith and credit for the prompt and timely payment thereof, and, to the extent necessary, is obligated by law to levy ad valorem taxes for such purpose, without limitation as to rate or amount.

**ESCROW AGENT:** Proceeds from the Refunding Bonds will be transferred to \_\_\_\_\_, \_\_\_\_\_, Michigan as escrow agent (the "Escrow Agent") under an escrow agreement dated \_\_\_\_\_ 1, \_\_\_\_\_ (the "Agreement"), who will use such proceeds to acquire investment obligations sufficient to pay principal of, premium, if any, and interest on the Refunded Bonds when due or upon the first permissible redemption date for the Refunded Bonds.

**ADJUSTMENT IN PRINCIPAL AMOUNT:** The aggregate principal amount of this issue has been determined as the amount necessary to retire the Refunded Bonds and pay a portion or all of the costs of issuance of the Refunding Bonds, assuming certain conditions and events exist on the date of sale. Following receipt of proposals and prior to final award, the County reserves the right to increase or decrease the aggregate principal amount of the issue by any amount. The increase or decrease will be increments of \$5,000 and may be made in any maturity or maturities. The purchase price will be adjusted proportionately to the increase or decrease in issue size, but the interest rates specified by the successful proposer for all maturities will not change. The successful proposer may not withdraw the proposal as a result of any changes made within these limits.

**ADJUSTMENT IN DISCOUNT:** In the event the principal amount of this issue is increased or decreased, the discount proposed, if any, will be adjusted downwards so that it is the same percent as the discount originally proposed.

**BOND INSURANCE AT PURCHASER'S OPTION:** If the Refunding Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of the proposer/purchaser, the purchase of any such insurance policy or the issuance of any such commitment shall be at the option and expense of the purchaser of the Refunding Bonds. Any increased costs of issuance of the Refunding Bonds resulting from such purchase of insurance shall be paid by the purchaser. Any additional rating agency fees shall be the responsibility of the purchaser. FAILURE OF THE MUNICIPAL BOND INSURER TO ISSUE THE POLICY AFTER THE REFUNDING BONDS HAVE BEEN AWARDED TO THE PURCHASER SHALL NOT CONSTITUTE CAUSE FOR FAILURE OR REFUSAL BY THE PURCHASER TO ACCEPT DELIVERY OF THE REFUNDING BONDS FROM THE COUNTY.

**GOOD FAITH:** A certified or cashier's check drawn upon an incorporated bank or trust company or a wire transfer in an amount equal to 2% (\$\_\_\_\_\_) of the face amount of the Refunding Bonds, and payable to the order of the County will be required of the successful proposer as a guarantee of good faith on the part of the proposer, to be forfeited as liquidated damages if such proposal be accepted and the proposer fails to take up and pay for the Refunding Bonds. If a check is used, it must accompany each proposal. If a wire transfer is used, the successful proposer is required to wire the good faith deposit not later than Noon, prevailing Eastern Time, on the next business day following the sale using the wire instructions provided by Municipal Financial Consultants Incorporated. The good faith deposit will be applied to the purchase price of the Refunding Bonds. No interest shall be allowed on the good faith checks, and checks of each unsuccessful proposer will be promptly returned to such proposer's representative or by registered mail. The good faith check of the successful proposer will be

cashied immediately, in which event, payment of the balance of the purchase price of the Refunding Bonds shall be made at the closing.

**AWARD OF THE REFUNDING BONDS – TRUE INTEREST COST:** The Refunding Bonds will be awarded to the proposer whose proposal produces the lowest true interest cost determined in the following manner: the lowest true interest cost will be the single interest rate (compounded on \_\_\_\_\_ and semi-annually thereafter) necessary to discount the debt service payments from their respective payment dates to \_\_\_\_\_ in an amount equal to the price proposed, excluding accrued interest. \_\_\_\_\_ is the anticipated date of delivery of the Refunding Bonds.

**LEGAL OPINION:** Proposals shall be conditioned upon the approving opinion of Clark Hill PLC, attorneys of Detroit, Michigan (the "Bond Counsel") a copy of which opinion will be printed on the reverse side of each bond and the original of which will be furnished without expense to the purchaser of the Refunding Bonds at the delivery thereof. The fees of Bond Counsel for services rendered in connection with such approving opinion are expected to be paid from bond proceeds. Except to the extent necessary to issue such opinion and as described in the official statement, Bond Counsel has not been requested to examine or review and has not examined or reviewed any financial documents, statements or other materials that have been or may be furnished in connection with the authorization, issuance or marketing of the Refunding Bonds, and therefore, has not expressed and will not express an opinion with respect to the accuracy or completeness of the official statement or any such financial documents, statements or materials.

**TAX MATTERS:** In the opinion of Bond Counsel, subject, however to certain qualifications described herein, under existing law, the interest on the Refunding Bonds is excluded from gross income for federal income tax purposes, such interest is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, although for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining certain income and earnings. In the further opinion of Bond Counsel, the Refunding Bonds and interest thereon are exempt from all taxation in the State of Michigan except estate taxes, gross receipts taxes and taxes on gains realized from the sale, payment or other disposition thereof.

**"QUALIFIED TAX EXEMPT OBLIGATIONS":** The Refunding Bonds have \_\_\_\_\_ been designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986.

**"ISSUE PRICE":** The winning bidder shall assist the Issuer in establishing the issue price of the Bonds and shall execute and deliver to the Issuer at Closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form provided by Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the Issuer and Bond Counsel. All actions to be taken by the Issuer under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the Issuer by the Issuer's municipal advisor identified herein and any notice or report to be provided to the Issuer may be provided to the Issuer's municipal advisor.

The Issuer intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- (1) the Issuer is disseminating this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;

(3) the Issuer anticipates receiving bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

(4) the Issuer anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the lowest true interest cost, as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that competitive sale requirements are satisfied, the winning bidder shall be expected to certify as to the reasonably expected initially offering price of the Bonds to the public.

In the event that the competitive sale requirements are not satisfied, the Issuer shall so advise the winning bidder. The Issuer shall treat (i) the first price at which 10% of a maturity of the Bonds (the “10% test”) is sold to the public as of the sale date as the issue price of that maturity and (ii) the initial offering price to the public as of the sale date of any maturity of the Bonds not satisfying the 10% test as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the Issuer if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds. Any maturity of the Bonds (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity) that does not satisfy the 10% test as of the date and time of the award of the Bonds shall be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation in the event that any maturity of the Bonds is subject to the hold-the-offering-price rule. Bidders should prepare their bids on the assumption that some or all of the maturities of the Bonds will be subject to the hold-the-offering-price rule in order to establish the issue price of the Bonds.

By submitting a bid, each bidder confirms that, except as otherwise provided in its bid, it has an established industry reputation for underwriting new issuances of municipal bonds, and, further, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5<sup>th</sup>) business day after the sale date; or

(2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the Issuer when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5<sup>th</sup>) business day after the sale date.

The Issuer acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The Issuer further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of

any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to comply with the hold-the-offering-price rule if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to comply with the hold-the-offering-price rule if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date that the Bonds are awarded by the Issuer to the winning bidder.

**DELIVERY OF BONDS:** The County will furnish Refunding Bonds ready for execution at its expense. Refunding Bonds will be delivered without expense to the purchaser. Payment for the Refunding Bonds shall be made in Federal Reserve Funds. Accrued interest to the date of delivery of the Refunding Bonds shall be paid by the purchaser at the time of delivery.

**UNDERTAKING TO PROVIDE CONTINUING DISCLOSURE:** In order to assist proposers in complying with SEC Rule 15c2-12, as amended, the County and the Municipalities will covenant to undertake (pursuant to resolutions adopted or to be adopted by their governing bodies), to provide annual reports and timely notice of certain events for the benefit of beneficial owners of the Refunding Bonds. **ESCROW AGREEMENT**

**COUNTY OF GRAND TRAVERSE**

This escrow agreement (the "Agreement"), dated as of \_\_\_\_\_, is between the COUNTY OF GRAND TRAVERSE, Michigan (the "County") and \_\_\_\_\_, Michigan, as escrow agent (the "Escrow Agent").

WHEREAS, the County has previously issued the following bonds of which the principal amounts listed below remain outstanding:

<u>Prior Bonds</u>	<u>Outstanding Principal</u>
--------------------	----------------------------------

**(the "Prior Bonds")**

(all of such outstanding bonds hereinafter referred to as the "Prior Bonds") all bearing interest, due as to principal and subject to redemption as more fully described in *APPENDIX I* to this Agreement.

WHEREAS, for the purpose of paying the principal and interest on the Prior Bonds when due on \_\_\_\_\_ 1, \_\_\_\_\_ and on that date of redeeming the Prior Bonds maturing in the years \_\_\_\_\_ through \_\_\_\_\_ in the total aggregate principal amount of \$\_\_\_\_\_ (the "Refunded Bonds"), the County has, pursuant to a refunding bond resolution adopted on \_\_\_\_\_ (the "Resolution") authorized the issuance of a series of refunding bonds dated \_\_\_\_\_ 1, \_\_\_\_\_, as designated and described in the Resolution and hereafter (the "Refunding Bonds"); and

WHEREAS, pursuant to the Refunding Bond Resolution, the Escrow Agent has been appointed by the County for the purpose of assuring the payment of the principal of, premium (if any) and interest on the Refunded Bonds and the Chairperson and Secretary of the County have been authorized and directed to execute this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements set forth below, the County and the Escrow Agent agree as follows for the respective equal and proportionate benefit and security of the holders of the Refunded Bonds;

**Section 1. Appointment of Escrow Agent.** The Escrow Agent is hereby appointed and agrees to act in such capacity to comply with all requirements of this Agreement, and to be custodian of the escrow fund (the "Escrow Fund"), to perform its duties as custodian of the Escrow Fund created under this Agreement, but only upon and subject to the following express terms and conditions:

(a) The Escrow Agent may perform any of its duties by or through attorneys, agents, receivers or employees but shall be answerable for the conduct of the same in accordance with the Standards specified in this Agreement and shall be entitled to advice of counsel concerning all matters of and the duties under this Agreement, and may in all cases pay such reasonable compensation to such counsel and in addition to all such attorneys, agents, receivers and employees as may reasonably be employed in connection

with the same. The Escrow Agent may act upon the opinion or advice of any counsel. The Escrow Agent shall not be responsible for any loss or damage resulting from any action or non-action taken in good faith in reliance upon such opinion or advice.

(b) The Escrow Agent shall not be responsible for any recital in this Agreement, or in the Refunding Bonds or for the validity of the execution by the County of this Agreement or of any supplements to it or instruments of further assurance. The Escrow Agent shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the County, except as set forth in this Agreement. The Escrow Agent shall be only obligated to perform such duties and only such duties as are specifically set forth in this Agreement and no implied covenants or obligations shall be read into this Agreement against the Escrow Agent.

(c) The Escrow Agent may become the owner of the Refunding Bonds or the Refunded Bonds with the same rights which it would have if not Escrow Agent.

(d) The Escrow Agent shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telex, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Escrow Agent pursuant to this Agreement upon the request or consent of any person who at the time of making such request or consent is the owner of any prior bond, shall be conclusive and binding upon all future owners of the same prior bond.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Escrow Agent shall be entitled to rely upon a certificate of the County signed by (i) the Secretary, or (ii) any other duly authorized person as sufficient evidence of the facts contained in it, but may secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Escrow Agent may accept a certificate of the Secretary to the effect that a resolution in the form attached to such certificate has been adopted by the County as conclusive evidence that such resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Escrow Agent to do things enumerated in this Agreement shall never be construed as a duty. The Escrow Agent shall only be responsible for the performance of the express duties outlined in this Agreement and it shall not be answerable for other than its gross negligence or willful default in the performance of those express duties.

(g) At any and all reasonable times the Escrow Agent and its duly authorized agents, attorneys, experts, accountants and representatives, shall have the right fully to inspect any and all of the books, papers and records of the County pertaining to the Refunded Bonds, and to take such memoranda from and in regard to the same as may be desired.

(h) The Escrow Agent shall not be required to give any bond or surety in respect of the execution of the powers contained in or otherwise in respect to this Agreement.

(i) Before taking any action under this Agreement (except making investments, collecting investments and making payments to the paying agents with respect to the Refunded Bonds) the Escrow Agent may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put

and to protect it against all liability except liability which is adjudicated to have resulted from gross negligence or willful default by reason of any action so taken.

(j) The Escrow Agent shall be, and hereby is indemnified and saved harmless by the County from all losses, liabilities, costs and expenses, including attorney fees and expenses, which may be incurred by it as a result of its acceptance of the Escrow Account or arising from the performance of its duties hereunder, unless such losses, liabilities, costs and expenses shall have been finally adjudicated to have resulted from the bad faith or gross negligence of the Escrow Agent, and such indemnification shall survive its resignation or removal, or the termination of this Agreement.

(k) The Escrow Agent shall, in the event that (i) any dispute shall arise between the parties with respect to the disposition or disbursement of any of the assets held hereunder or (ii) the Escrow Agent shall be uncertain as to how to proceed in a situation not explicitly addressed by the terms of this Agreement whether because of conflicting demands by the other parties hereto or otherwise, be permitted to interplead all of the assets held hereunder into a court of competent jurisdiction, and thereafter be fully relieved from any and all liability or obligation with respect to such interpleaded assets. The parties hereto other than the Escrow Agent further agree to pursue any redress or recourse in connection with such a dispute, without making the Escrow Agent a party to the same.

(l) The Escrow Agent shall have only those duties as are specifically provided herein, which shall be deemed purely ministerial in nature, and shall under no circumstance be deemed a fiduciary for any of the parties to this Agreement. The Escrow Agent shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument or document between the other parties hereto, in connection herewith. This Agreement sets forth all matters pertinent to the escrow contemplated hereunder, and no additional obligations of the Escrow Agent shall be inferred from the terms of this Agreement or any other Agreement. IN NO EVENT SHALL THE ESCROW AGENT BE LIABLE, DIRECTLY OR INDIRECTLY, FOR ANY (i) DAMAGES OR EXPENSES ARISING OUT OF THE SERVICES PROVIDED HEREUNDER, OTHER THAN DAMAGES WHICH RESULT FROM THE ESCROW AGENT'S FAILURE TO ACT IN ACCORDANCE WITH THE STANDARDS SET FORTH IN THIS AGREEMENT, OR (ii) SPECIAL OR CONSEQUENTIAL DAMAGES, EVEN IF THE ESCROW AGENT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

(m) Any banking association or corporation into which the Escrow Agent may be merged converted or with which the Escrow Agent may be consolidated or any corporation resulting from any merger, conversion or consolidation to which the Escrow Agent shall be a party, or any banking association or corporation to which all or substantially all of the corporate trust business of the Escrow Agent shall be transferred, shall succeed to all the Escrow Agent's rights, obligations and immunities hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

(n) In the event that any escrow property shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting property deposited under this Agreement, the Escrow Agent is hereby expressly authorized, in its sole discretion, to obey and comply with all writs, orders or decrees so

entered or issued, which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction, and in the event that the Escrow Agent obeys or complies with any such writ, order or decree it shall not be liable to any of the parties hereto or to any other person, firm or corporation, by reason of such compliance notwithstanding such writ, order or decree be subsequently reversed, modified, annulled set aside or vacated.

**Section 2. Escrow Fund.** On \_\_\_\_\_, \_\_\_\_\_ the County will irrevocably deposit moneys with the Escrow Agent for the account of the County from the proceeds of the Refunding Bonds (\$\_\_\_\_\_) to establish the Escrow Fund for the Refunded Bonds in an amount which together with the income from the escrow assets, shall be held in the Escrow Fund to be maintained by the Escrow Agent and used to pay (i) the interest on the Refunded Bonds that become due on \_\_\_\_\_ 1, \_\_\_\_\_ and (ii) to redeem on said date all of the outstanding and callable Refunded Bonds prior to their scheduled maturity; and to pay the applicable call premiums on the Refunded Bonds in accordance with Section 3 hereof.

**Section 3. Redemption of Refunded Bonds.** The County will redeem, prior to their scheduled maturity, Refunded Bonds as follows:

<u>Prior Bonds</u>	<u>Outstanding Principal</u>
--------------------	----------------------------------

(the "Refunded Bonds")

The County by execution of this Escrow Agreement, hereby authorizes the Escrow Agent to give the paying agent for the Refunded Bonds irrevocable instructions to call the Refunded Bonds and at the expense of the County not more than sixty (60) nor less than forty-five (45) days before \_\_\_\_\_ 1, \_\_\_\_\_, their redemption date. The Escrow Agent shall give to the paying agent for the Refunded Bonds such notice, in substantially the form attached to this Agreement as *APPENDIX II*. The paying agent for the Refunded Bonds shall mail such notice on or before thirty (30) days prior to the redemption date, as set forth in *APPENDIX II*, to the registered owner or owners at the addresses listed on the registration books of the County maintained by the paying agent for the Refunded Bonds.

**Section 4. Investments.** As directed by the County, moneys deposited in the Escrow Fund shall be immediately invested in direct obligations of the United States of America and/or obligations the principal of, premium (if any) and interest on which are fully guaranteed by the United States of America described on *APPENDIX III* ("Investment Securities"), except for \_\_\_\_\_ (\$\_\_\_\_\_) which will be held in the Escrow Fund as the beginning balance for the Refunded Bonds. The Escrow Agent agrees to cause to be purchased United States Government Obligations known as "SLGS" (State and Local Government Series) from the United States Department of Treasury on the date shown in *APPENDIX III*.

The investment income from the Investment Securities in the Escrow Fund shall be credited to the Escrow Fund and shall not be reinvested. The Escrow Agent shall not sell any Investment Securities. All moneys not invested as provided in this Agreement shall be held by the Escrow Agent as a trust deposit.

**Section 5. Use of Moneys.** Except as expressly provided in this Agreement, no paying agents' fees for the payment of principal of, premium (if any) or interest on the Refunding Bonds or the Refunded Bonds or other charges may be paid from the escrowed moneys or Investment Securities prior to retirement of all Refunded Bonds, and the County agrees that it

will pay all such fees from its other legally available funds as such payments become due prior to such retirement.

**Section 6. Deficiency in Escrow Fund.** At such time or times as there shall be insufficient funds on hand in the Escrow Fund for the payment of the principal of, premium (if any) and interest falling due on the Refunded Bonds, the Escrow Agent shall promptly notify the County of such deficiency, as provided for under Section 12 below.

**Section 7. Reports to County.** The Escrow Agent shall deliver to the County Treasurer a semi-annual statement reflecting each transaction relating to the Escrow Fund; and on or before the first day of February of each year shall deliver to the County a list of assets of the Escrow Fund as of December 31 of said year ended and a transaction statement for the Escrow Fund for the year then ended.

**Section 8. Fees of Escrow Agent.** The Escrow Agent agrees with the County that the charges, fees and expenses of the Escrow Agent throughout the term of this Agreement shall be the total sum of \_\_\_\_\_ Dollars (\$\_\_\_\_\_) payable on the date of closing, which charges, fees and expenses shall be paid from moneys deposited with the Escrow Agent from bond proceeds.

**Section 9. Payments from Escrow Fund.** The Escrow Agent shall without further authorization or direction from the County, collect the principal of and interest on the Investment Securities promptly as the same shall become due and, to the extent that Investment Securities and moneys are sufficient for such purpose, shall make timely payments out of the Escrow Fund to the proper paying agent or agents or their successors for the Refunded Bonds, of moneys sufficient for the payment of the principal of, premium (if any) and interest on such Refunded Bonds as the same shall become due and payable, all as set out in *APPENDIX IV and APPENDIX V*. The payments so forwarded or transferred shall be made in sufficient time to permit the payment of such principal of, premium (if any) and interest by such paying agent or agents without default. The County represents and warrants that the Escrow Fund will be sufficient to make the foregoing and all other payments required under this Agreement. The paying agent for the Prior Bonds is shown in *APPENDIX I*.

When the aggregate total amount required for the payment of principal of, premium (if any) and interest on the Refunded Bonds have been paid to the paying agent as provided above, the Escrow Agent shall transfer any moneys or Investment Securities then held under this Agreement for the Refunded Bonds to the County, and this Agreement shall cease.

**Section 10. Interest of Bondholders Not Affected.** The Escrow Agent and the County recognize that the holders from time to time of the Refunded Bonds have a beneficial and vested interest in the Investment Securities and moneys to be held by the Escrow Agent as provided in this Agreement. It is therefore recited, understood and agreed that this Agreement shall not be subject to revocation or amendment and no moneys on deposit in an Escrow Fund for the Refunded Bonds can be used in any manner for another series.

**Section 11. Escrow Agent Not Obligated.** None of the provisions contained in this Agreement shall require the Escrow Agent to use or advance its own moneys or otherwise incur financial liability in the performance of any of its duties or the exercise of any of its rights or powers under this Agreement. The Escrow Agent shall be under no liability for interest on any funds or other property received by it under this Agreement, except as expressly provided.

**Section 12. Payment of Other Amounts.** The County agrees that it will promptly and without delay remit to the Escrow Agent such additional sum or sums of money as may be necessary to assure the payment of any Refunded Bonds and to fully pay and discharge any

obligation or obligations or charges, fees or expenses incurred by the Escrow Agent in carrying out any of the duties, terms or provisions of this Agreement that are in excess of the sums provided for under Sections 4 and 6 above.

**Section 13. Segregation of Funds.** The Escrow Agent shall hold the Investment Securities and all moneys received by it from the collection of, principal and interest on the Investment Securities, and all moneys received from the County under this Agreement, in a separate escrow account.

**Section 14. Resignation of Escrow Agent.** The Escrow Agent may resign as such following the giving of thirty (30) days prior written notice to the County. Similarly, the Escrow Agent may be removed and replaced following the giving of thirty (30) days prior written notice to the Escrow Agent by the County. In either event, the duties of the Escrow Agent shall terminate thirty (30) days after the date of such notice (or as of such earlier date as may be mutually agreeable); and the Escrow Agent shall then deliver the balance of the Escrow Fund then in its possession to a successor Escrow Agent as shall be appointed by the County.

If the County shall have failed to appoint a successor prior to the expiration of thirty (30) days following the date of the notice of resignation or removal, the then acting Escrow Agent may petition any court of competent jurisdiction for the appointment of a successor Escrow Agent or for other appropriate relief and any such resulting appointment shall be binding upon the County.

Upon acknowledgment by any successor Escrow Agent of the receipt of the then remaining balance of the Escrow Fund, the then acting Escrow Agent shall be fully released and relieved of all duties, responsibilities, and obligations under this Agreement.

**Section 15. Benefit.** This Agreement shall be for the sole and exclusive benefit of the County, the Escrow Agent and the holders of the Refunded Bonds. With the exception of rights expressly conferred in this Agreement, nothing expressed in or to be implied from this Agreement is intended or shall be construed to give to any person other than the parties set forth above, any legal or equitable right, remedy or claim under or in respect to this Agreement.

**Section 16. Severability.** If any provision of this Agreement shall be held or deemed to be invalid or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions contained in this Agreement or render the same invalid, inoperative or unenforceable to any extent whatsoever.

**Section 17. Notices.** Any notice, request, communication or other paper shall be sufficiently given and shall be deemed given when delivered or mailed, by registered or certified mail, postage prepaid or sent by facsimile transmission, except reports as required in Section 7 which may be delivered by regular mail, as follows:

**If to the County:**

**If to the Escrow Agent:**

The County and the Escrow Agent may designate any further or different addresses to which subsequent notices, requests, communications or other papers shall be sent and shall be required to provide written notification of said address change.

**Section 18. Costs of Issuance.** Simultaneously with the transfer of bond proceeds from the Refunding Bonds establishing the Escrow Fund, sufficient moneys from bond proceeds shall be transferred to the Escrow Agent and used to pay all of the costs of issuance for the Refunding Bonds including, but not limited to, financial costs, consultant fees, counsel fees, printing costs, application fees, bond insurance premiums, rating fees and any other fees or costs incurred in connection with the financing. All such costs shall be authorized by the County Treasurer, under the “*Closing Memorandum*”, and shall be paid on \_\_\_\_\_, \_\_\_\_\_.

**Section 19. Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan.

IN WITNESS WHEREOF, the parties to this Agreement have duly executed it by their duly authorized officers as of the date first above written.

### Control and Integration System

*The Control System is the user interface for control. It simplifies the operation of regular tasks and integrates the various audio, video and environmental systems. The presence of a control system does not by default mean that all systems will be controlled or that remote access is included. The scope of the control system is defined in the proposal.*

### Video System

*The Video System allows you to watch video sources such as cable or Blu-ray video. It includes video displays, video sources and video distribution. The control interface may be separate since control is often integrated across multiple systems.*

### Lighting System

*A Lighting System allows you to control lights and other electronic relays throughout your property. It can sometimes also be part of climate and shade control, and often includes a separate dedicated lighting processor. High voltage devices such as dimmers or switches must be installed by a qualified electrician.*

**Functionality Statement:** Based on information gathered in an on-site meeting with Ming Mays on October 10, 2018, BIS documented the following objectives and information requested in a proposal after that meeting.

**Objectives:**

- 1). – Migrate the Grand Traverse County Board of Commissioners Meetings from paper documents to paperless – Allow Commissioners to view paperless agenda to be viewed on I-Pads or local monitors for the commissioners.

- 2). Upgrade the existing 52" monitors to larger format monitors to increase the viewable size of content displayed on the monitors as well as the viewing angles for the Commissioners.
- 3). Provide a means to wirelessly "stream" content of the Board meeting to I-Pads, local displays and monitors for viewing of the commission meetings in real-time.
- 4). Improve audio system clarity and distribution - Replace Shure gooseneck microphones with new microphones. Replace speakers with new ceiling mounted speakers and install a speaker in the hallway for overflow audio for those that can't be in the Board of Commissioners Room during the meeting.

Our enclosed proposal includes hardware and software to accomplish all four primary objectives for undertaking this project.

BIS Digital proposes the following solutions to meet the primary objectives defined above.

**Presentation System:** BIS Digital has designed a cost-effective, user-friendly presentation system that uses a Wolfvision Cynap wireless presentation/annotation device as its core. The wireless presentation system allows multiple users to connect simultaneously to a display and interact, present and annotate from their device. BIS has also included a digital (HDMI) and analog (VGA) input at the podium for presenters that want to present to the Commissioners from the podium. Presenters can use the existing laptop as the display device or bring their own and connect to the interface at the podium.

Presented computer generated content on the host laptop or guest laptop/mobile device connected to the display system at the podium will be routed to two new 65" wall mounted displays that will replace the existing 52" displays.

Displayed content will also be routed to seven, 24" desk mounted HD displays that will provide a more up-close and personal view of presented material mounted between every two commissioners. Content can also be viewed on Owner Furnished I-Pads via the Cynap wireless presentation system.

A digital document camera is also proposed to allow traditional paper documents not on a computer and objects to be magnified and enlarged on the commissioners monitors and the 65" wall mounted monitors when the document camera is utilized.

**Audio System:** BIS Digital recommends a full upgrade of the existing audio system due to the age of the equipment being currently used. Our proposal includes a new digital discussion system to replace the existing Shure gooseneck microphones. The new Digital Conference System from Audio-Technica consists of a rack mounted control unit, 15 discussion base units and 15, 23-inch gooseneck microphones for the discussion base units.

BIS has also included a new digital microphone mixer with telephone interface that will allow a phone call to be initiated from the mixer software and distributed over PA speakers. In addition, the proposed BiAmp digital mixer software will be used to customize the audio levels for each of the microphones and PA system.

Our proposal also includes a multi-channel audio amplifier that will allow BIS technicians to zone PA speakers to minimize the chance of feedback in the PA system. New ceiling mounted speakers have been optioned for the Board of Commissioners Room as well as for overflow in the hallway although existing speakers could be utilized with new wiring if budget is a concern and the County is interested in exploring areas where costs savings could be recognized. Two wireless hand-held microphones have been included to replace the existing wireless microphones used for audience engagement and interaction.

BIS Digital has included all installation, cabling, programming and training for all devices and systems in our proposal. In addition, we have included a year of DCR Remote Support with Hardware replacement support program.

With our DCR Remote Support contract, Grand Traverse County has unlimited access to our toll-free tech support HelpDesk staffed by BIS employees during normal business hours M-F, 8 am – 6 pm EST.

In addition, with Remote Support with Hardware Replacement support - if a component or device we installed on the initial installation goes bad or is defective, BIS will send Grand Traverse County a replacement unit at no additional charge.

If a BIS technician is requested to be dispatched on-site to install the device or component provided, travel and time and materials while on-site is billable however, a quote is presented and signature is required on any billable services.

**GRAND TRAVERSE COUNTY COMMISSION**  
**INVOCATION POLICY**

*Purpose*

The United States Supreme Court has determined that pre-session legislative prayer may be conducted consistent with the First Amendment to the United States Constitution. The permissible purpose of such prayer, as stated by the Supreme Court, is "to lend gravity to public proceedings and to acknowledge the place religion holds in the lives of many private citizens." *Town of Greece, N.Y. v Galloway*, 572 US 565, 587 (2014). This prayer opportunity may not be used, however, "to proselytize or advance any one, or to disparage any other, faith or belief." *Marsh v Chambers*, 463 US 783, 794-95 (1983).

The Grand Traverse County Board of Commissioners (hereinafter "the Board") desires to enact an Invocation Policy to allow legislative prayer at certain of its meetings, consistent with prevailing court decisions in the United States Supreme Court and the 6<sup>th</sup> Federal Circuit Court. The purpose of This Policy, consistent with authoritative case law, is to: lend gravity to the Board proceedings, invite those present and watching to reflect on shared values, to encourage civility, and to encourage sound and ethical decision making by the Board.

NOW, THEREFORE, the Board hereby adopts this Invocation Policy;

1. Invocation Opportunity

An opportunity for invocation will be provided at the public County Commission Board meetings which are described in Board Rule of Order 2.2. This opportunity will occur prior to the Pledge of Allegiance and will be provided consistent with subsection 2 of This Policy.

2. Scheduling Procedure

a. All elected and currently serving Grand Traverse County commissioners will be eligible to be a member of a rotating group of commissioners who will either (1) provide the invocation or (2) delegate his or her rotating opportunity for invocation to his or her chosen individual.

b. A list of commissioners who are members of this rotating group will be maintained by County Administration.

c. An elected and currently serving commissioner becomes a member of the rotating list by making a written request to County Administration for membership on the list. There is no other qualification, oath, promise, or requirement required for membership on the list. No questions may be asked about the religion, creed, or spiritual beliefs of the commissioner and said beliefs are not a factor in presence on the rotating list.

d. Once on the rotating list, a commissioner is to be removed once no longer a member of the Board or when said commissioner makes a written request to County Administration to be removed from the rotation.

e. The order of commissioners on the rotating list will be assigned randomly and reasonable efforts will be made so that each member on the rotation will be provided an equal opportunity to provide invocations or to delegate the provision of invocations.

f. The rotating list shall be collected and, if reasonably possible, the order of the rotation shall be disbursed prior to the meeting following the Organizational Meeting.

g. If a commissioner requests presence on the rotation after the list has first been made, he or she will be given a random assignment which will begin during the next start of the rotation.

### 3. Content

a. An invocation must not be used to proselytize or advance any one faith or belief or to disparage any other faith or belief.

b. An invocation must not be used to threaten condemnation to any group of people.

c. The stated purpose of this policy is to be considered by each commissioner when making the invocation or by the commissioner when choosing his or her delegate to provide an invocation.

d. There shall be no other restriction related to the content of the invocation.

e. This includes the option of a commissioner or his or her delegate to say nothing at all when it is that commissioner's or his or her delegate's opportunity to provide an invocation.

4. Voluntary Participation

a. No commissioner or member of the public may be required to be present during the invocation. No commissioner or member of the public shall be prevented or reprimanded for leaving prior to or during the invocation.

b. No commissioner or member of the public may be required to participate in any invocation. No adverse action may be taken against any individual for refusing or neglecting to participate in an invocation.

c. Consistent with County Board Rule 6.3.1, adverse action against any person shall only be taken for an actual breach of the peace committed at the meeting.

d. Commissioners or members of the public who remain present during the invocation should be respectful to the commissioner or his or her delegate who is providing the invocation.

5. Time Limitation

An invocation is limited to no more than 3 minutes unless prior approval has been requested and granted by a majority of Board members elected and serving.

6. Respect for Religious Diversity

This policy is intended to acknowledge and express the respect of the Board for the diversity of religious denominations and faiths represented and practiced in Grand Traverse County. No faith or religious denomination is intended to be favored or preferred by This Policy.

Adopted this 16<sup>th</sup> day of January, 2019.

**Blair Brownfield Mistake**

On February 6, the Grand Traverse County Board approved the "Rennie School Road Development Amended Brownfield Plan", despite my plea for commissioners to delay the decision and consider the possibility that the figures they are depending on to produce the necessary "tax capture" might be considerably less than projected.

The basis for my concern was highlighted in Sunday's Record-Eagle story: "Dark Stores – Proposed Law..." which examines the negative effect on real estate tax revenues when big-box stores, like Menard's, are allowed to escape true tax liabilities by claiming their "taxable value" should be determined by what an empty, unsalable store would be worth.

Until the legislature writes a law that prohibits "dark-store" appraisals, there is no way to accurately estimate the tax assessment, nor the resulting tax capture. Therefore the commission was negligent in their original approval and the additional brownfield tax subsidy.

The capitalist economic model demands private enterprises twist every law and every regulation to maximize profits. Good governance demands accountability before giving tax gifts. We have no guarantees there will be the promised jobs, and there is a good chance this development will take the "dark-store" exception, leaving the rest of us taxpayers to cover the loss.

RESOLUTION

WHEREAS, The Grand Traverse County Board of Commissioners met in regular session on February 20, 2019, reviewed the request to update the Personal Time Policy for Grand Traverse County; and,

WHEREAS, The Michigan Paid Sick Leave Law goes into effect on March 31, 2019; and,

WHEREAS, The Personal Time Policy will be updated to reflect employees' eligibility to use their accrued paid sick leave after 90 days of employment.

NOW, THEREFORE, BE IT RESOLVED BY THIS BOARD OF COMMISSIONERS THAT Grand Traverse County approves the Grand Traverse County Personal Time Policy attached hereto and hereby becoming a part of this resolution.

BE IT FURTHER RESOLVED THAT, the Board of Commissioners authorizes the Board Chair or County Administrator to effectuate the necessary documents to implement the Board authorized action.

APPROVED: February 20, 2019

## Paid Time off Policy

### PURPOSE

Grand Traverse County recognizes that a good balance between work and life is important. That is why employees are provided with annual vacation time and personal days to use in any way they choose. Employees are also eligible for company-paid holidays each year.

This policy describes details of paid time off, including eligibility, hours, vacation accrual, taking time off, and carrying over time. Grand Traverse County complies with all applicable state and local requirements regarding sick leave, including, but not limited to, Michigan's Paid Medical Leave Act.

Vacation days are not earned during any leaves of absence. If you are on a leave of absence the first day of a month, vacation will not accrue for that month. If you return to work on the first of the month, you will resume earning vacation on that day.

### POLICY & PROCEDURE

#### Bereavement Leave

Each regular full-time employee of the County shall be allowed bereavement leave, not to be deducted from any other leave time, for a death in the immediate family providing he or she attends the funeral. Such leave may be granted from the day of death through the date of the funeral, not to exceed three days. For the purpose of this section an immediate family member shall be deemed to be the current spouse, children, brother, sister, parent, parent-in-law, grandparents, grandchildren, or a member of the employee's immediate household. Additional leave may be granted without pay or charged to personal or vacation leave.

Time off shall also be granted for the death of current sister/brother-in-law, step mother/father, step sister/brother, step children, with time off charged against any accumulated leave time. For out of state funerals employees shall be permitted to take up to two additional days leave of absence without pay or, at the option of the employee, to use accumulated leave time. Time off for bereavement leave will not count as hours worked for the purpose of overtime.

#### Holidays

The County recognizes the following paid holidays for all regular full-time and regular part-time (on a pro-rated basis) non-contract employees:

New Year's Day	Independence Day	Day after Thanksgiving
President's Day	Labor Day	Christmas Eve Day
Good Friday	Veteran's Day	Christmas Day
Memorial Day	Thanksgiving Day	New Year's Eve Day
Floating Holiday		

When a holiday falls on Sunday, the following day shall be the recognized holiday. When a holiday falls on Saturday, the preceding day shall be the recognized holiday.

If one of the above holidays falls during a period when an employee is on authorized paid leave, the holiday shall be counted as a holiday off and shall not be deducted from the employee's leave accumulation.

To be eligible for holiday pay an employee must have worked in full their regularly scheduled straight time work day prior to the holiday and the regularly scheduled straight time work day subsequent to the holiday (or be on authorized paid leave).

Regular employees covered under FLSA who are scheduled and required to work on a paid holiday shall receive holiday pay plus his/her regular day's pay for a day worked. When called in to work on a paid holiday the employee shall receive time and one half plus holiday pay for hours worked.

The Floating Holiday shall be credited to the employee as of January 1st, in the first pay period of the calendar year. Employees who are hired on or after October 1st shall not be granted the floating holiday. Such holidays shall not accrue from year to year, or be paid out for any reason.

### **Jury Duty/Subpoena**

Leave with full pay may be authorized in order that employees may serve required jury duty or testify pursuant to a subpoena, provided that such leave is reported in advance to the department head, that the duty falls during their regular work schedule, and that court fees (less mileage) obtained as a witness or juror are turned over to the County Treasurer. Employees are expected to return to work after being excused from service.

### **Personal Leave**

Each regular full-time employee and regular part-time employee (on a pro-rated basis) shall be granted eight (8) days of personal leave each year. New hires shall receive an initial pro-rated amount of leave upon completion of ninety days of continuous employment with Grand Traverse County.

This leave may be used for the employee's personal health needs, a family member's health needs, for purposes arising out of domestic violence or sexual assault, or during closure of the employee's primary worksite by order of a public official due to a public health emergency. Twenty-four hours' notice and prior approval by the supervisor is required for general absences, and at least one hour's notice prior to the beginning of the shift is required for illness, unless the employee can show in writing why prior notification was impossible. Time must be used in ½ hour increments. When the absence is for sickness (regardless of which, if any, leave bank is charged), the employer reserves the right to request a doctor's certification. Claim for payment must be submitted on a form provided by the Employer.

Any balance left, up to a maximum of five days (pro-rated for part-time employees), following the last full pay period paid in November shall be paid at the employee's prevailing hourly rate in a separate check on the first pay date in December.

Employees who leave employment mid-year shall be paid for any balance, up to a maximum of five days (pro-rated for part-time employees), on their final paycheck.

Those employees who are hired prior to December 1, 1988, and who selected Plan A on the "Employee Election of Sick Conversion/Payment Plan" prior to November 30, 1988, shall have the

balance of the eight days each year converted to their frozen Sick Leave Bank, up to a maximum of 120 days.

## **Vacation Leave**

Each regular full-time and regular part-time (on a prorated basis) employee shall earn vacation leave credit according to the following schedule. Employees accrue vacation leave during their first six months of employment, however it cannot be taken until completing six months.

<b>Years of Service</b>	<b>Days per Year</b>	<b>Hours Accrued Bi-weekly</b>	
		(75 hours)	(80 hours)
Less than 3	10	2.884	3.076
3 but less than 5	12	3.461	3.692
5 but less than 10	15	4.326	4.615
10 but less than 15	17	4.9	5.23
15 but less than 25	20	5.769	6.153
25 or more	25	7.211	7.692

Vacation leave will be credited biweekly to the employee's "bank" up to a maximum carry-over of 20 days on the employee's service date. The maximum amount of vacation hours you accrue is determined by your rate of accrual. Once that maximum is reached, further accruals will cease until the vacation hours are taken and fall below the maximum allowed.

Department heads shall determine the suitable time at which vacation may be taken, considering both the efficiency of the operation of the department concerned and the wishes of the employee.

Vacation leave taken may not exceed the total amount of vacation leave accrued as of that date. Employees leaving the County in good standing shall be compensated for vacation leave accrued to the date of separation within the limits set forth above. This will be paid on the employee's final paycheck. The County retains the discretion to deny vacation payout in the case of involuntary termination.

Leave benefits may differ for employees who are members of recognized unions, organizations, or associations.

Note: This policy may differ for those employees who are members of recognized unions, organizations, or associations. Any questions related to the content of this policy, or its interpretation, should be directed to Human Resources. This policy is in no way affiliated with Michigan Mandatory Paid Sick Leave (Public Act 369).

WHEREAS, the Board of Public Works has recommended that this resolution be adopted in order to effect the refunding of all or part of the Prior Bonds and the Board of Public Works has determined that it is in the best interest of the Municipalities and the County that such refunding be undertaken.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. AUTHORIZATION OF BONDS - PURPOSE. Bonds of the County, aggregating the principal sum of not to exceed Six Million Six Hundred Thousand Dollars (\$6,600,000) (the "Refunding Bonds") shall be issued and sold pursuant to the provisions of Act 34, and other applicable statutory provisions, for the purpose of refunding all or part of the Prior Bonds; subject, however, to adjustment as described under "DECREASE IN AGGREGATE AMOUNT OF REFUNDING BONDS", Section 4.

2. BOND DETAILS. The Refunding Bonds shall be designated "Grand Traverse County – Wastewater Treatment Plant Upgrade Refunding Bonds, Series 2019"; shall be dated as of such date as shall be approved by the County Treasurer at the time of sale; shall be numbered from 1 upwards; shall be fully registered; shall be in the denomination of \$5,000 each or any integral multiple thereof not exceeding the aggregate principal amount for each maturity at the option of the purchaser thereof; shall bear interest at a rate or rates not exceeding 6% per annum to be determined upon the sale thereof payable on such dates as shall be determined by the County Treasurer at the time of sale; and shall mature on such dates and in such years as shall be determined by the County Treasurer at the time of sale.

3. ADJUSTMENT OF REFUNDING BOND MATURITIES. The County Treasurer is authorized by order in the form attached as EXHIBIT A to adjust the amounts of the maturities of the Refunding Bonds, as set forth in Section 4.

4. DECREASE IN AGGREGATE AMOUNT OF REFUNDING BONDS. In the event the amount necessary to refund the Prior Bonds shall be less than \$6,600,000, the County Treasurer shall decrease the principal amount of the Refunding Bonds by any amount, to the extent required to avoid the issuance of more Refunding Bonds than will be required in light of the amount of Refunding Bonds to be issued and bids received, which decrease may be applied to any one or more of the maturities and the Request for Proposal attached as EXHIBIT B shall so provide or be changed accordingly. In the event that any one or more of the Municipalities determines to contribute additional amounts toward the refunding of the bonds, the bonds shall further be reduced by the amount of such contribution.

5. PAYMENT OF PRINCIPAL AND INTEREST. The principal of and interest on the Refunding Bonds shall be payable in lawful money of the United States. Principal shall be payable upon presentation and surrender of the bonds to the bond registrar and paying agent as they severally mature. Interest shall be paid to the registered owner of each bond as shown on the registration books at the close of business on the fifteenth day of the calendar month preceding the month in which the interest payment is due. Interest shall be paid when due by

check or draft drawn upon and mailed by the bond registrar and paying agent to the registered owner at the registered address.

6. PRIOR REDEMPTION. The Refunding Bonds shall not be subject to redemption prior to maturity.

7. (A) BOND REGISTRAR AND PAYING AGENT/BOOK ENTRY DEPOSITORY TRUST. The County Treasurer shall designate, and shall enter into an agreement with, a bond registrar and paying agent for the Refunding Bonds which shall be a bank or trust company located in the State of Michigan which is qualified to act in such capacity under the laws of the United States of America or the State of Michigan. The County Treasurer from time to time as required may designate a similarly qualified successor bond registrar and paying agent. If so designated the Refunding Bonds shall be deposited with a depository trustee designated by the Director who shall transfer ownership of interests in the Refunding Bonds by book entry and who shall issue depository trust receipts or acknowledgments to owners of interests in the Refunding Bonds. Such book entry depository trust arrangement, and the form of depository trust receipts or acknowledgments, shall be as determined by the Director after consultation with the depository trustee. The Director is authorized to enter into any depository trust agreement on behalf of the Department of Public Works upon such terms and conditions as the Director shall deem appropriate and not otherwise prohibited by the terms of this Resolution, which Contract shall be executed by the Director. The depository trustee may be the same as the Registrar otherwise named by the Director, and the Refunding Bonds may be transferred in part by depository trust and in part by transfer of physical certificates as the Director may determine.

(B) Exchange and Transfer of Bonds.

(i) The Refunding Bonds, upon surrender thereof to the bond registrar and paying agent with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or his duly authorized attorney, at the option of the registered owner thereof, may be exchanged for Refunding Bonds of any other authorized denominations of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered Refunding Bonds.

(ii) The Refunding Bonds shall be transferable upon the books of the County, which shall be kept for that purpose by the bond registrar and paying agent, only upon surrender of such Refunding Bonds together with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or his duly authorized attorney.

(iii) Upon the exchange or transfer of the Refunding Bonds, the bond registrar and paying agent on behalf of the County shall cancel the surrendered Refunding Bonds and shall authenticate and deliver to the transferee new Refunding Bonds of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered Refunding Bonds. If, at the time the bond registrar and paying agent authenticates and delivers new Refunding Bonds pursuant to this Section, payment of interest on the Refunding Bonds is in default, the bond registrar and paying agent shall endorse upon the new Refunding Bonds the following: "Payment of interest on this bond is in default. The last date to which interest has been paid is \_\_\_\_\_, \_\_\_\_."

(iv) The County and the bond registrar and paying agent may deem and treat the person in whose name the Refunding Bonds shall be registered upon the books of the County as the absolute owner of such Refunding Bonds, whether such Refunding Bonds shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Refunding Bonds and for all other purposes, and all payments made to any such registered owner, or upon his or her order, in accordance with the provisions of Section 5 of this Resolution shall be valid

and effectual to satisfy and discharge the liability upon such Refunding Bonds to the extent of the sum or sums so paid, and neither the County nor the bond registrar and paying agent shall be affected by any notice to the contrary. The County agrees to indemnify and save the bond registrar and paying agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

(v) For every exchange or transfer of the Refunding Bonds, the County or the bond registrar and paying agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(vi) The bond registrar and paying agent shall not be required to transfer or exchange the Refunding Bonds or portion of the Refunding Bonds which has been selected for redemption.

8. EXECUTION, AUTHENTICATION AND DELIVERY OF BONDS. The Refunding Bonds shall be executed in the name of the County by the facsimile signatures of the Chairman of the Board of Commissioners and the County Clerk and authenticated by the manual signature of an authorized representative of the bond registrar and paying agent, and the seal of the County (or a facsimile thereof) shall be impressed or imprinted on the Refunding Bonds. After the Refunding Bonds have been executed and authenticated for delivery to the original purchaser thereof, they shall be delivered by the County Treasurer to the purchaser upon receipt of the purchase price. Additional Refunding Bonds bearing the facsimile signature of the Chairman of the Board of Commissioners and the County Clerk and upon which the seal of the County (or a facsimile thereof) is impressed or imprinted may be delivered to the bond registrar and paying agent for authentication and delivery in connection with the exchange or transfer of the Refunding Bonds. The bond registrar and paying agent shall indicate on each Refunding Bond the date of its authentication.

9. QUALIFIED TAX-EXEMPT OBLIGATIONS. The Bonds are not to be designated as "qualified tax-exempt obligations" as described in Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended unless, at the time the Request for Proposal is circulated, it is determined that the Refunding Bonds are eligible for such designation, in which event the Request for Proposal shall be so changed and the Refunding Bonds shall be so designated.

10. ESCROW AGENT: Proceeds from the Refunding Bonds will be transferred to The Huntington National Bank, Grand Rapids, Michigan, as escrow agent (the "Escrow Agent") under an escrow agreement (the "Agreement"), who will use such proceeds to acquire investment obligations sufficient to pay principal of, premium, if any, and interest on the Refunded Bonds when due or upon the first permissible redemption date for the Refunded Bonds.

19. REPLACEMENT OF BONDS. **REFUNDING BOND DETAILS:** The Refunding Bonds will be dated \_\_\_\_\_ 1, \_\_\_\_\_ and will be known as "Grand Traverse County – Wastewater Treatment Plant Upgrade Refunding Bonds, Series 2019". The Refunding Bonds will be fully registered Refunding Bonds, both as to principal and interest, in any one or more denominations of \$5,000 or a multiple of \$5,000, numbered from 1 upwards and will bear interest from their date of issuance payable \_\_\_\_\_ 1, \_\_\_\_\_ and semi-annually thereafter on each \_\_\_\_\_ 1 and \_\_\_\_\_ 1 until maturity. The Refunding Bonds will mature on \_\_\_\_\_ 1 of each year as follows:

<b><u>YEAR</u></b>	<b><u>AMOUNT</u></b>	<b><u>YEAR</u></b>	<b><u>AMOUNT</u></b>	<b><u>YEAR</u></b>	<b><u>AMOUNT</u></b>
--------------------	----------------------	--------------------	----------------------	--------------------	----------------------

**PRIOR REDEMPTION:** The Refunding Bonds shall not be subject to redemption prior to maturity.

**INTEREST RATE AND PROPOSING DETAILS:** The Refunding Bonds shall bear interest at a rate or rates not exceeding 6% per annum, to be fixed by the proposals therefor, expressed in multiples of 1/8 or 1/20 of 1%, or both. The interest on any one bond shall be at one rate only. All bonds maturing in any one year must carry the same interest rate. THE INTEREST RATE BORNE BY BONDS MATURING IN ANY YEAR SHALL NOT BE AT A RATE LOWER THAN THE RATE BORNE BY BONDS MATURING IN ANY PRECEDING YEAR. No proposal for the purchase of less than all of the Refunding Bonds, at a price less than \_\_\_\_% of their par value or at an interest rate or rates that will result in a net interest cost exceeding 6%, will be considered.

**TERM BOND OPTION:** Refunding Bonds maturing in the years \_\_\_\_-\_\_\_\_, inclusive, are eligible for designation by the original purchaser at the time of sale as serial bonds or term bonds, or both. There may be more than one term bond maturity. However, principal maturities designated as term bonds shall be subject to mandatory redemption, in part, by lot, at par and accrued interest on \_\_\_\_\_ 1st of the year in which the Refunding Bonds are presently scheduled to mature. Each maturity of term bonds and serial bonds must carry the same interest rate. Any such designation must be made at the time the proposals are submitted.

**BOOK-ENTRY-ONLY:** The Refunding Bonds will be issued in book-entry-only form as one fully-registered bond per maturity and will be registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the Refunding Bonds. Purchase of the Refunding Bonds will be made in book-entry-only form, in the denomination of \$5,000 or any multiple thereof. Purchasers will not receive certificates representing their interest in Refunding Bonds purchased. The book-entry-only system is described further in the nearly final official statement for the Refunding Bonds.

**BOND REGISTRAR, PAYING AGENT AND DATE OF RECORD:** The Huntington National Bank, Grand Rapids, Michigan has been selected as paying agent and bond registrar (the "Bond Registrar") for the Refunding Bonds. The Bond Registrar will keep records of the registered holders of the Refunding Bonds, serve as transfer agent for the Refunding Bonds, authenticate the original and any re-issued refunding bonds and pay interest by check or draft mailed to the registered holders of the Refunding Bonds as shown on the registration books of the County kept by the Bond Registrar on the applicable date of record. The date of record for each interest payment shall be the 15th day of the month before such payment is due. The principal of and redemption premium, if any, on the Refunding Bonds will be paid when due upon presentation and surrender thereof to the Bond Registrar. As long as DTC, or its nominee Cede & Co., is the registered owner of the Refunding Bonds, payments will be made directly to such registered owner. Disbursement of such payments to DTC participants is the responsibility of DTC and disbursement of such payments to the beneficial owners of the Refunding Bonds is the responsibility of DTC participants and indirect participants as described in the nearly final official statement for the Refunding Bonds. The County may from time to time as required designate a successor bond registrar and paying agent.

**PURPOSE AND SECURITY:** The Refunding Bonds are being issued pursuant to Act No. 185, Public Acts of Michigan, 1957, as amended ("Act 185") and; Act No. 34, Public Acts of Michigan, 2001, as amended ("Act 34"); and the County's Resolution for the purpose of advance refunding the outstanding Grand Traverse County \_\_\_\_\_, dated \_\_\_\_\_ maturing in the years \_\_\_\_ through \_\_\_\_ (the "Refunded Bonds"), of which \$\_\_\_\_\_ remains outstanding. The Refunding Bonds are issued in anticipation of, and are primarily payable from, moneys to be received by the County from the \_\_\_\_\_ (the "Municipalities") and the pursuant to a certain contract between the County and the Municipalities dated as of \_\_\_\_\_ (together the "Contract"), to defray part of the cost of acquiring and constructing the \_\_\_\_\_ as described in the Contract. The

County has irrevocably pledged to the payment of said bonds the total contractual payments, which payments are payable at such times and are established in such amounts as are required to pay the entire principal of and interest on the bonds promptly when due. As additional security for the payment of the bonds and the interest thereon, the County, as authorized by law, has pledged its full faith and credit for the prompt and timely payment thereof, and, to the extent necessary, is obligated by law to levy ad valorem taxes for such purpose, without limitation as to rate or amount.

**ESCROW AGENT:** Proceeds from the Refunding Bonds will be transferred to \_\_\_\_\_, \_\_\_\_\_, Michigan as escrow agent (the "Escrow Agent") under an escrow agreement dated \_\_\_\_\_ 1, \_\_\_\_\_ (the "Agreement"), who will use such proceeds to acquire investment obligations sufficient to pay principal of, premium, if any, and interest on the Refunded Bonds when due or upon the first permissible redemption date for the Refunded Bonds.

**ADJUSTMENT IN PRINCIPAL AMOUNT:** The aggregate principal amount of this issue has been determined as the amount necessary to retire the Refunded Bonds and pay a portion or all of the costs of issuance of the Refunding Bonds, assuming certain conditions and events exist on the date of sale. Following receipt of proposals and prior to final award, the County reserves the right to increase or decrease the aggregate principal amount of the issue by any amount. The increase or decrease will be increments of \$5,000 and may be made in any maturity or maturities. The purchase price will be adjusted proportionately to the increase or decrease in issue size, but the interest rates specified by the successful proposer for all maturities will not change. The successful proposer may not withdraw the proposal as a result of any changes made within these limits.

**ADJUSTMENT IN DISCOUNT:** In the event the principal amount of this issue is increased or decreased, the discount proposed, if any, will be adjusted downwards so that it is the same percent as the discount originally proposed.

**BOND INSURANCE AT PURCHASER'S OPTION:** If the Refunding Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of the proposer/purchaser, the purchase of any such insurance policy or the issuance of any such commitment shall be at the option and expense of the purchaser of the Refunding Bonds. Any increased costs of issuance of the Refunding Bonds resulting from such purchase of insurance shall be paid by the purchaser. Any additional rating agency fees shall be the responsibility of the purchaser. FAILURE OF THE MUNICIPAL BOND INSURER TO ISSUE THE POLICY AFTER THE REFUNDING BONDS HAVE BEEN AWARDED TO THE PURCHASER SHALL NOT CONSTITUTE CAUSE FOR FAILURE OR REFUSAL BY THE PURCHASER TO ACCEPT DELIVERY OF THE REFUNDING BONDS FROM THE COUNTY.

**GOOD FAITH:** A certified or cashier's check drawn upon an incorporated bank or trust company or a wire transfer in an amount equal to 2% (\$\_\_\_\_\_) of the face amount of the Refunding Bonds, and payable to the order of the County will be required of the successful proposer as a guarantee of good faith on the part of the proposer, to be forfeited as liquidated damages if such proposal be accepted and the proposer fails to take up and pay for the Refunding Bonds. If a check is used, it must accompany each proposal. If a wire transfer is used, the successful proposer is required to wire the good faith deposit not later than Noon, prevailing Eastern Time, on the next business day following the sale using the wire instructions provided by Municipal Financial Consultants Incorporated. The good faith deposit will be applied to the purchase price of the Refunding Bonds. No interest shall be allowed on the good faith checks, and checks of each unsuccessful proposer will be promptly returned to such proposer's representative or by registered mail. The good faith check of the successful proposer will be

cashied immediately, in which event, payment of the balance of the purchase price of the Refunding Bonds shall be made at the closing.

**AWARD OF THE REFUNDING BONDS – TRUE INTEREST COST:** The Refunding Bonds will be awarded to the proposer whose proposal produces the lowest true interest cost determined in the following manner: the lowest true interest cost will be the single interest rate (compounded on \_\_\_\_\_ and semi-annually thereafter) necessary to discount the debt service payments from their respective payment dates to \_\_\_\_\_ in an amount equal to the price proposed, excluding accrued interest. \_\_\_\_\_ is the anticipated date of delivery of the Refunding Bonds.

**LEGAL OPINION:** Proposals shall be conditioned upon the approving opinion of Clark Hill PLC, attorneys of Detroit, Michigan (the "Bond Counsel") a copy of which opinion will be printed on the reverse side of each bond and the original of which will be furnished without expense to the purchaser of the Refunding Bonds at the delivery thereof. The fees of Bond Counsel for services rendered in connection with such approving opinion are expected to be paid from bond proceeds. Except to the extent necessary to issue such opinion and as described in the official statement, Bond Counsel has not been requested to examine or review and has not examined or reviewed any financial documents, statements or other materials that have been or may be furnished in connection with the authorization, issuance or marketing of the Refunding Bonds, and therefore, has not expressed and will not express an opinion with respect to the accuracy or completeness of the official statement or any such financial documents, statements or materials.

**TAX MATTERS:** In the opinion of Bond Counsel, subject, however to certain qualifications described herein, under existing law, the interest on the Refunding Bonds is excluded from gross income for federal income tax purposes, such interest is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, although for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining certain income and earnings. In the further opinion of Bond Counsel, the Refunding Bonds and interest thereon are exempt from all taxation in the State of Michigan except estate taxes, gross receipts taxes and taxes on gains realized from the sale, payment or other disposition thereof.

**"QUALIFIED TAX EXEMPT OBLIGATIONS":** The Refunding Bonds have \_\_\_\_\_ been designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986.

**"ISSUE PRICE":** The winning bidder shall assist the Issuer in establishing the issue price of the Bonds and shall execute and deliver to the Issuer at Closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form provided by Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the Issuer and Bond Counsel. All actions to be taken by the Issuer under this Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the Issuer by the Issuer's municipal advisor identified herein and any notice or report to be provided to the Issuer may be provided to the Issuer's municipal advisor.

The Issuer intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- (1) the Issuer is disseminating this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;

(3) the Issuer anticipates receiving bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

(4) the Issuer anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the lowest true interest cost, as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that competitive sale requirements are satisfied, the winning bidder shall be expected to certify as to the reasonably expected initially offering price of the Bonds to the public.

In the event that the competitive sale requirements are not satisfied, the Issuer shall so advise the winning bidder. The Issuer shall treat (i) the first price at which 10% of a maturity of the Bonds (the “10% test”) is sold to the public as of the sale date as the issue price of that maturity and (ii) the initial offering price to the public as of the sale date of any maturity of the Bonds not satisfying the 10% test as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the Issuer if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds. Any maturity of the Bonds (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity) that does not satisfy the 10% test as of the date and time of the award of the Bonds shall be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation in the event that any maturity of the Bonds is subject to the hold-the-offering-price rule. Bidders should prepare their bids on the assumption that some or all of the maturities of the Bonds will be subject to the hold-the-offering-price rule in order to establish the issue price of the Bonds.

By submitting a bid, each bidder confirms that, except as otherwise provided in its bid, it has an established industry reputation for underwriting new issuances of municipal bonds, and, further, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5<sup>th</sup>) business day after the sale date; or

(2) the date on which the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the Issuer when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5<sup>th</sup>) business day after the sale date.

The Issuer acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The Issuer further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of

any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to comply with the hold-the-offering-price rule if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to comply with the hold-the-offering-price rule if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date that the Bonds are awarded by the Issuer to the winning bidder.

Payment for the Refunding Bonds shall be made in Federal Reserve Funds. Accrued interest to the date of delivery of the Refunding Bonds shall be paid by the purchaser at the time of delivery.

**UNDERTAKING TO PROVIDE CONTINUING DISCLOSURE:** In order to assist proposers in complying with SEC Rule 15c2-12, as amended, the County and the Municipalities will covenant to undertake (pursuant to resolutions adopted or to be adopted by their governing bodies), to provide annual reports and timely notice of certain events for the benefit of beneficial owners of the Refunding Bonds. **ESCROW AGREEMENT**

**COUNTY OF GRAND TRAVERSE**

This escrow agreement (the "Agreement"), dated as of \_\_\_\_\_, is between the COUNTY OF GRAND TRAVERSE, Michigan (the "County") and \_\_\_\_\_, Michigan, as escrow agent (the "Escrow Agent").

WHEREAS, the County has previously issued the following bonds of which the principal amounts listed below remain outstanding:

<u>Prior Bonds</u>	<u>Outstanding Principal</u>
--------------------	----------------------------------

**(the "Prior Bonds")**

(all of such outstanding bonds hereinafter referred to as the "Prior Bonds") all bearing interest, due as to principal and subject to redemption as more fully described in *APPENDIX I* to this Agreement.

WHEREAS, for the purpose of paying the principal and interest on the Prior Bonds when due on \_\_\_\_\_ 1, \_\_\_\_\_ and on that date of redeeming the Prior Bonds maturing in the years \_\_\_\_\_ through \_\_\_\_\_ in the total aggregate principal amount of \$\_\_\_\_\_ (the "Refunded Bonds"), the County has, pursuant to a refunding bond resolution adopted on \_\_\_\_\_ (the "Resolution") authorized the issuance of a series of refunding bonds dated \_\_\_\_\_ 1, \_\_\_\_\_, as designated and described in the Resolution and hereafter (the "Refunding Bonds"); and

WHEREAS, pursuant to the Refunding Bond Resolution, the Escrow Agent has been appointed by the County for the purpose of assuring the payment of the principal of, premium (if any) and interest on the Refunded Bonds and the Chairperson and Secretary of the County have been authorized and directed to execute this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements set forth below, the County and the Escrow Agent agree as follows for the respective equal and proportionate benefit and security of the holders of the Refunded Bonds;

**Section 1. Appointment of Escrow Agent.** The Escrow Agent is hereby appointed and agrees to act in such capacity to comply with all requirements of this Agreement, and to be custodian of the escrow fund (the "Escrow Fund"), to perform its duties as custodian of the Escrow Fund created under this Agreement, but only upon and subject to the following express terms and conditions:

(a) The Escrow Agent may perform any of its duties by or through attorneys, agents, receivers or employees but shall be answerable for the conduct of the same in accordance with the Standards specified in this Agreement and shall be entitled to advice of counsel concerning all matters of and the duties under this Agreement, and may in all cases pay such reasonable compensation to such counsel and in addition to all such attorneys, agents, receivers and employees as may reasonably be employed in connection

with the same. The Escrow Agent may act upon the opinion or advice of any counsel. The Escrow Agent shall not be responsible for any loss or damage resulting from any action or non-action taken in good faith in reliance upon such opinion or advice.

(b) The Escrow Agent shall not be responsible for any recital in this Agreement, or in the Refunding Bonds or for the validity of the execution by the County of this Agreement or of any supplements to it or instruments of further assurance. The Escrow Agent shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the County, except as set forth in this Agreement. The Escrow Agent shall be only obligated to perform such duties and only such duties as are specifically set forth in this Agreement and no implied covenants or obligations shall be read into this Agreement against the Escrow Agent.

(c) The Escrow Agent may become the owner of the Refunding Bonds or the Refunded Bonds with the same rights which it would have if not Escrow Agent.

(d) The Escrow Agent shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telex, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Escrow Agent pursuant to this Agreement upon the request or consent of any person who at the time of making such request or consent is the owner of any prior bond, shall be conclusive and binding upon all future owners of the same prior bond.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Escrow Agent shall be entitled to rely upon a certificate of the County signed by (i) the Secretary, or (ii) any other duly authorized person as sufficient evidence of the facts contained in it, but may secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Escrow Agent may accept a certificate of the Secretary to the effect that a resolution in the form attached to such certificate has been adopted by the County as conclusive evidence that such resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Escrow Agent to do things enumerated in this Agreement shall never be construed as a duty. The Escrow Agent shall only be responsible for the performance of the express duties outlined in this Agreement and it shall not be answerable for other than its gross negligence or willful default in the performance of those express duties.

(g) At any and all reasonable times the Escrow Agent and its duly authorized agents, attorneys, experts, accountants and representatives, shall have the right fully to inspect any and all of the books, papers and records of the County pertaining to the Refunded Bonds, and to take such memoranda from and in regard to the same as may be desired.

(h) The Escrow Agent shall not be required to give any bond or surety in respect of the execution of the powers contained in or otherwise in respect to this Agreement.

(i) Before taking any action under this Agreement (except making investments, collecting investments and making payments to the paying agents with respect to the Refunded Bonds) the Escrow Agent may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put

and to protect it against all liability except liability which is adjudicated to have resulted from gross negligence or willful default by reason of any action so taken.

(j) The Escrow Agent shall be, and hereby is indemnified and saved harmless by the County from all losses, liabilities, costs and expenses, including attorney fees and expenses, which may be incurred by it as a result of its acceptance of the Escrow Account or arising from the performance of its duties hereunder, unless such losses, liabilities, costs and expenses shall have been finally adjudicated to have resulted from the bad faith or gross negligence of the Escrow Agent, and such indemnification shall survive its resignation or removal, or the termination of this Agreement.

(k) The Escrow Agent shall, in the event that (i) any dispute shall arise between the parties with respect to the disposition or disbursement of any of the assets held hereunder or (ii) the Escrow Agent shall be uncertain as to how to proceed in a situation not explicitly addressed by the terms of this Agreement whether because of conflicting demands by the other parties hereto or otherwise, be permitted to interplead all of the assets held hereunder into a court of competent jurisdiction, and thereafter be fully relieved from any and all liability or obligation with respect to such interpleaded assets. The parties hereto other than the Escrow Agent further agree to pursue any redress or recourse in connection with such a dispute, without making the Escrow Agent a party to the same.

(l) The Escrow Agent shall have only those duties as are specifically provided herein, which shall be deemed purely ministerial in nature, and shall under no circumstance be deemed a fiduciary for any of the parties to this Agreement. The Escrow Agent shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument or document between the other parties hereto, in connection herewith. This Agreement sets forth all matters pertinent to the escrow contemplated hereunder, and no additional obligations of the Escrow Agent shall be inferred from the terms of this Agreement or any other Agreement. **IN NO EVENT SHALL THE ESCROW AGENT BE LIABLE, DIRECTLY OR INDIRECTLY, FOR ANY (i) DAMAGES OR EXPENSES ARISING OUT OF THE SERVICES PROVIDED HEREUNDER, OTHER THAN DAMAGES WHICH RESULT FROM THE ESCROW AGENT'S FAILURE TO ACT IN ACCORDANCE WITH THE STANDARDS SET FORTH IN THIS AGREEMENT, OR (ii) SPECIAL OR CONSEQUENTIAL DAMAGES, EVEN IF THE ESCROW AGENT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**

(m) Any banking association or corporation into which the Escrow Agent may be merged converted or with which the Escrow Agent may be consolidated or any corporation resulting from any merger, conversion or consolidation to which the Escrow Agent shall be a party, or any banking association or corporation to which all or substantially all of the corporate trust business of the Escrow Agent shall be transferred, shall succeed to all the Escrow Agent's rights, obligations and immunities hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

(n) In the event that any escrow property shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting property deposited under this Agreement, the Escrow Agent is hereby expressly authorized, in its sole discretion, to obey and comply with all writs, orders or decrees so

entered or issued, which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction, and in the event that the Escrow Agent obeys or complies with any such writ, order or decree it shall not be liable to any of the parties hereto or to any other person, firm or corporation, by reason of such compliance notwithstanding such writ, order or decree be subsequently reversed, modified, annulled set aside or vacated.

**Section 2. Escrow Fund.** On \_\_\_\_\_, \_\_\_\_\_ the County will irrevocably deposit moneys with the Escrow Agent for the account of the County from the proceeds of the Refunding Bonds (\$\_\_\_\_\_) to establish the Escrow Fund for the Refunded Bonds in an amount which together with the income from the escrow assets, shall be held in the Escrow Fund to be maintained by the Escrow Agent and used to pay (i) the interest on the Refunded Bonds that become due on \_\_\_\_\_ 1, \_\_\_\_\_ and (ii) to redeem on said date all of the outstanding and callable Refunded Bonds prior to their scheduled maturity; and to pay the applicable call premiums on the Refunded Bonds in accordance with Section 3 hereof.

**Section 3. Redemption of Refunded Bonds.** The County will redeem, prior to their scheduled maturity, Refunded Bonds as follows:

<u>Prior Bonds</u>	<u>Outstanding Principal</u>
--------------------	----------------------------------

(the "Refunded Bonds")

The County by execution of this Escrow Agreement, hereby authorizes the Escrow Agent to give the paying agent for the Refunded Bonds irrevocable instructions to call the Refunded Bonds and at the expense of the County not more than sixty (60) nor less than forty-five (45) days before \_\_\_\_\_ 1, \_\_\_\_\_, their redemption date. The Escrow Agent shall give to the paying agent for the Refunded Bonds such notice, in substantially the form attached to this Agreement as *APPENDIX II*. The paying agent for the Refunded Bonds shall mail such notice on or before thirty (30) days prior to the redemption date, as set forth in *APPENDIX II*, to the registered owner or owners at the addresses listed on the registration books of the County maintained by the paying agent for the Refunded Bonds.

**Section 4. Investments.** As directed by the County, moneys deposited in the Escrow Fund shall be immediately invested in direct obligations of the United States of America and/or obligations the principal of, premium (if any) and interest on which are fully guaranteed by the United States of America described on *APPENDIX III* ("Investment Securities"), except for \_\_\_\_\_ (\$\_\_\_\_\_) which will be held in the Escrow Fund as the beginning balance for the Refunded Bonds. The Escrow Agent agrees to cause to be purchased United States Government Obligations known as "SLGS" (State and Local Government Series) from the United States Department of Treasury on the date shown in *APPENDIX III*.

The investment income from the Investment Securities in the Escrow Fund shall be credited to the Escrow Fund and shall not be reinvested. The Escrow Agent shall not sell any Investment Securities. All moneys not invested as provided in this Agreement shall be held by the Escrow Agent as a trust deposit.

**Section 5. Use of Moneys.** Except as expressly provided in this Agreement, no paying agents' fees for the payment of principal of, premium (if any) or interest on the Refunding Bonds or the Refunded Bonds or other charges may be paid from the escrowed moneys or Investment Securities prior to retirement of all Refunded Bonds, and the County agrees that it

will pay all such fees from its other legally available funds as such payments become due prior to such retirement.

**Section 6. Deficiency in Escrow Fund.** At such time or times as there shall be insufficient funds on hand in the Escrow Fund for the payment of the principal of, premium (if any) and interest falling due on the Refunded Bonds, the Escrow Agent shall promptly notify the County of such deficiency, as provided for under Section 12 below.

**Section 7. Reports to County.** The Escrow Agent shall deliver to the County Treasurer a semi-annual statement reflecting each transaction relating to the Escrow Fund; and on or before the first day of February of each year shall deliver to the County a list of assets of the Escrow Fund as of December 31 of said year ended and a transaction statement for the Escrow Fund for the year then ended.

**Section 8. Fees of Escrow Agent.** The Escrow Agent agrees with the County that the charges, fees and expenses of the Escrow Agent throughout the term of this Agreement shall be the total sum of \_\_\_\_\_ Dollars (\$\_\_\_\_\_) payable on the date of closing, which charges, fees and expenses shall be paid from moneys deposited with the Escrow Agent from bond proceeds.

**Section 9. Payments from Escrow Fund.** The Escrow Agent shall without further authorization or direction from the County, collect the principal of and interest on the Investment Securities promptly as the same shall become due and, to the extent that Investment Securities and moneys are sufficient for such purpose, shall make timely payments out of the Escrow Fund to the proper paying agent or agents or their successors for the Refunded Bonds, of moneys sufficient for the payment of the principal of, premium (if any) and interest on such Refunded Bonds as the same shall become due and payable, all as set out in *APPENDIX IV and APPENDIX V*. The payments so forwarded or transferred shall be made in sufficient time to permit the payment of such principal of, premium (if any) and interest by such paying agent or agents without default. The County represents and warrants that the Escrow Fund will be sufficient to make the foregoing and all other payments required under this Agreement. The paying agent for the Prior Bonds is shown in *APPENDIX I*.

When the aggregate total amount required for the payment of principal of, premium (if any) and interest on the Refunded Bonds have been paid to the paying agent as provided above, the Escrow Agent shall transfer any moneys or Investment Securities then held under this Agreement for the Refunded Bonds to the County, and this Agreement shall cease.

**Section 10. Interest of Bondholders Not Affected.** The Escrow Agent and the County recognize that the holders from time to time of the Refunded Bonds have a beneficial and vested interest in the Investment Securities and moneys to be held by the Escrow Agent as provided in this Agreement. It is therefore recited, understood and agreed that this Agreement shall not be subject to revocation or amendment and no moneys on deposit in an Escrow Fund for the Refunded Bonds can be used in any manner for another series.

**Section 11. Escrow Agent Not Obligated.** None of the provisions contained in this Agreement shall require the Escrow Agent to use or advance its own moneys or otherwise incur financial liability in the performance of any of its duties or the exercise of any of its rights or powers under this Agreement. The Escrow Agent shall be under no liability for interest on any funds or other property received by it under this Agreement, except as expressly provided.

**Section 12. Payment of Other Amounts.** The County agrees that it will promptly and without delay remit to the Escrow Agent such additional sum or sums of money as may be necessary to assure the payment of any Refunded Bonds and to fully pay and discharge any

obligation or obligations or charges, fees or expenses incurred by the Escrow Agent in carrying out any of the duties, terms or provisions of this Agreement that are in excess of the sums provided for under Sections 4 and 6 above.

**Section 13. Segregation of Funds.** The Escrow Agent shall hold the Investment Securities and all moneys received by it from the collection of, principal and interest on the Investment Securities, and all moneys received from the County under this Agreement, in a separate escrow account.

**Section 14. Resignation of Escrow Agent.** The Escrow Agent may resign as such following the giving of thirty (30) days prior written notice to the County. Similarly, the Escrow Agent may be removed and replaced following the giving of thirty (30) days prior written notice to the Escrow Agent by the County. In either event, the duties of the Escrow Agent shall terminate thirty (30) days after the date of such notice (or as of such earlier date as may be mutually agreeable); and the Escrow Agent shall then deliver the balance of the Escrow Fund then in its possession to a successor Escrow Agent as shall be appointed by the County.

If the County shall have failed to appoint a successor prior to the expiration of thirty (30) days following the date of the notice of resignation or removal, the then acting Escrow Agent may petition any court of competent jurisdiction for the appointment of a successor Escrow Agent or for other appropriate relief and any such resulting appointment shall be binding upon the County.

Upon acknowledgment by any successor Escrow Agent of the receipt of the then remaining balance of the Escrow Fund, the then acting Escrow Agent shall be fully released and relieved of all duties, responsibilities, and obligations under this Agreement.

**Section 15. Benefit.** This Agreement shall be for the sole and exclusive benefit of the County, the Escrow Agent and the holders of the Refunded Bonds. With the exception of rights expressly conferred in this Agreement, nothing expressed in or to be implied from this Agreement is intended or shall be construed to give to any person other than the parties set forth above, any legal or equitable right, remedy or claim under or in respect to this Agreement.

**Section 16. Severability.** If any provision of this Agreement shall be held or deemed to be invalid or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions contained in this Agreement or render the same invalid, inoperative or unenforceable to any extent whatsoever.

**Section 17. Notices.** Any notice, request, communication or other paper shall be sufficiently given and shall be deemed given when delivered or mailed, by registered or certified mail, postage prepaid or sent by facsimile transmission, except reports as required in Section 7 which may be delivered by regular mail, as follows:

**If to the County:**

**If to the Escrow Agent:**

The County and the Escrow Agent may designate any further or different addresses to which subsequent notices, requests, communications or other papers shall be sent and shall be required to provide written notification of said address change.

**Section 18. Costs of Issuance.** Simultaneously with the transfer of bond proceeds from the Refunding Bonds establishing the Escrow Fund, sufficient moneys from bond proceeds shall be transferred to the Escrow Agent and used to pay all of the costs of issuance for the Refunding Bonds including, but not limited to, financial costs, consultant fees, counsel fees, printing costs, application fees, bond insurance premiums, rating fees and any other fees or costs incurred in connection with the financing. All such costs shall be authorized by the County Treasurer, under the “*Closing Memorandum*”, and shall be paid on \_\_\_\_\_, \_\_\_\_\_.

**Section 19. Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan.

IN WITNESS WHEREOF, the parties to this Agreement have duly executed it by their duly authorized officers as of the date first above written.
