Grand Traverse Conservation District Millage Proposal

This proposal for the authorization of a new additional millage will provide funding for the Grand Traverse Conservation District, including programs to assist landowners in the protection, enhancement, and restoration of natural resources, including invasive plant species control, assist agricultural producers in the protection of soil and water and implementation of best management practices on farmland, continue restoration and protection of the Boardman River, and continue environmental stewardship education at the Boardman River Nature Center.

Shall the limitation on the total amount of taxes that may be levied against all taxable property within Grand Traverse County be increased and shall Grand Traverse County be authorized to levy up to and including .1 mill (\$.10 per \$1,000 of taxable value) for a period of eight (8) years beginning 2018 through 2025, inclusive, for the purpose of providing funds for the Grand Traverse Conservation District? If approved and levied in full, the millage of .1 mill will generate an estimated \$500,000 to be disbursed to the Grand Traverse Conservation District when first levied in 2018. The estimated cost to a household owning a \$100,000 property (SEV \$50,000) would be \$5.00 per year.

By law, tax increment revenues from this millage will be distributed to governmental units within Grand Traverse County that capture property taxes, which are the City of Traverse City Downtown Development Authority, Grand Traverse County Brownfield Redevelopment Authority, Village of Kingsley Downtown Development Authority, Village of Fife Lake Downtown Development Authority, and Interlochen Downtown Development Authority.

Should the proposal be adopted?

This proposal is for the purpose of authorizing a new additional millage to fund the animal control programs, facilities, personnel, and necessary expenses of the Grand Traverse County Animal Control Agency in the amount of 0.037 mill beginning with the December 2018 tax levy. The estimated cost to a household having a property with a taxable value of \$100,000 would be \$3.70 per year.

Shall the constitutional limitation upon the total amount of taxes which may be levied against all taxable property within Grand Traverse County be increased, and shall Grand Traverse County be authorized to levy 0.037 mill (\$.037 per \$1,000 of Taxable Value) for a period of three (3) years, 2018 through 2020 inclusive for the purpose of funding animal control programs, facilities personnel and necessary expenses of the Grand Traverse County Animal Control Agency? If approved and levied in full, this millage will raise an estimated \$170,000 for providing funds for Animal Control Agency purposes in the first calendar year of the levy based on taxable value.

By law, tax increment revenues from this millage will be distributed to governmental units within Grand Traverse County that capture property taxes, which are the City of Traverse City Downtown Development Authority, Grand Traverse County Brownfield Redevelopment Authority, Village of Kingsley Downtown Development Authority, Village of Fife Lake Downtown Development Authority, and Interlochen Downtown Development Authority.
