

### Recycling Drop Off Site Temporary Closure

Grand Traverse County, MI (October 1<sup>st</sup>, 2020) - The recycling site located at 2600 Lafranier Rd. in Garfield Township will be closed on October 7<sup>th</sup> and 8<sup>th</sup> for asphalt resurfacing. Please "hold" your recyclables until a later date or use one of the 5 other recycling drop off sites within the county. Site locations can be found at [www.recyclesmart.info/897](http://www.recyclesmart.info/897).

**Curbside** recycling services are available to all Grand Traverse County Residents living in single family structures or multi-family structures with 4 or less units per building. Recycling services are also available to commercial, institutional and industrial customers including residential multi-family structures with more than 4 units per building.

Please visit the American Waste website <https://americanwaste.org/recycling-guidelines> to learn the rules of recycling in Grand Traverse County and call your area waste hauler to set up a curbside recycling service.
