OPERATING MILLAGE RENEWAL PROPOSAL

This proposal will allow the school district to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and renews millage that will expire with the 2014 tax levy.

Shall the currently authorized millage rate limitation of 18 mills (\$18.00 on each \$1,000 of taxable valuation) on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Kingsley Area Schools, Grand Traverse and Wexford Counties, Michigan, be renewed for a period of 4 years, 2015 to 2018, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2015 is approximately \$1,026,082 (this is a renewal of millage which will expire with the 2014 tax levy)?

This proposal will allow the school district to continue to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. The remaining 1.0961 mills is only available to be levied to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in the Traverse City Area Public Schools, Grand Traverse, Leelanau and Benzie Counties, Michigan, be renewed by 19.0961 mills (\$19.0961 on each \$1,000 of taxable valuation) for a period of 10 years, 2016 to 2025, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2016 is approximately \$31,350,000 (this is a renewal of millage which will expire with the 2015 tax levy)?
