

Cost Estimator + Priority Rewards

Know the cost. Save on care. Get rewarded.

Our Cost Estimator tool shows your estimated out-of-pocket costs for hundreds of procedures and services based on your health plan and deductible. It also shows you how the price varies by location. Plus, with **Priority**Rewards, when you choose a lower-cost, high-quality facility to receive care, we'll send you a Visa® rewards card. Rewards range from \$50 to \$200.

How it works

- 1 Log in to your **My**Health account at *priorityhealth.com* or in our free mobile **My**Health app to access the Cost Estimator.
- 2 Search for the procedure you need and select the facility where you'd like it performed. After selecting a doctor, you'll see fair-market prices and above-market prices.
 *A green trophy means the procedure and facility combination makes you eligible for a reward.*
- 3 See your estimated out-of-pocket costs based on your health plan and deductible, along with the reward amount.
- 4 Make your appointment to receive care at high-quality, lower-priced facilities.

Don't see your facility and/or provider listed? Call the number on the back of your membership ID card.

That's it! Look for a Visa rewards card in the mail within a few weeks of receiving care. The date of care received must be within six months of the date you shopped using the Cost Estimator.

Your rewards card can be used for most things including medical services, health and wellness services, groceries, general merchandise and much more.

Rewardable procedures
