DECISION AND ORDER

An Application for Leave to Appeal was filed by Respondent
Darius Lambert pursuant to MCR 5.993 and MCR 7.103.

The Court noticed the application for hearing and dispensed
with oral arguments.

The Court has considered the grounds for appeal and finds that
an appeal by leave of the disqualification motion, which has
already been reviewed by a second judge, does not present grounds
which merit a grant of leave to appeal. -
The Respondent's Application for Leave to Appeal is denied.

IT IS SO ORDERED.

HONORABLE THOMAS G. POWER
Circuit Court Judge
