ORDER REGARDING PRODUCTION OF DISCIPLINARY RECORDS

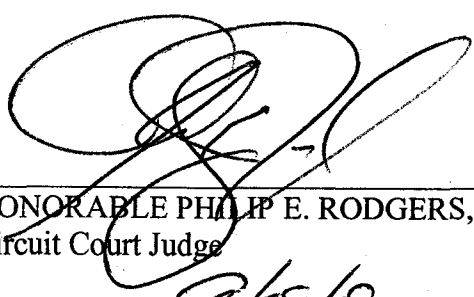

The Plaintiff has sought the production of certain disciplinary records maintained by the Defendant. The Defendant filed objections and following a hearing on the Plaintiff's motion, the Court required that the records at issue be produced for an in-camera inspection. The Court has completed its review of the records and believes the following documents should be produced. Disciplinary records that are not being produced have been found by the Court to be inadmissible or not likely to lead to the discovery of admissible evidence.

Documents that are to be produced:

1. Disciplinary records regarding Eric Link dated February 9, 2009; February 25, 2009, November 9, 2008; October 26, 2008; December 3, 2007; July 27, 2007 and June 25, 2007.
2. Disciplinary record for Nancy Chappel dated February 9, 2009; December 2, 2005, January 25, 2005 and undated disciplinary report regarding quality assurance audits relating to glucose monitoring.
3. Disciplinary record regarding Deb Long dated June 9, 2009.

These documents shall be produced to the Plaintiff within seven (7) days of the date signed below or specific written objections filed within the same time period. No costs are assessed.

IT IS SO ORDERED.
