Grand Traverse County Health Department to participate in tele-town hall Thursday

The Grand Traverse County Health Department is excited to announce that Health Officer, Wendy Hirschenberger will be among a panel of local speakers addressing the public's COVID-19 concerns and questions on Thursday, April 23, 2020 from 5:30-6:30pm during a tele-town hall meeting.

Hirschenberger will be joined by Munson's Chief Medical Officer, Dr. Christine Nefcy, State Sen. Wayne Schmidt (R), and State Rep., Triston Cole (R).

To listen in live and submit a question, call (855) 756-7520 and dial 59754# when prompted. The tele-town hall meeting will begin at 5:30 and last approximately one hour.

"From the perspective of the general public, we know that there is a lot of uncertainty surrounding COVID-19 still and we want to answer as many questions as we can. This is a great opportunity to have a handful of key contributors address some of the questions and concerns from our local community." said Wendy Hirschenberger, Health Officer, Grand Traverse County Health Department.
