**Immediate Release:
7/24/20**

Grand Traverse County Case Investigation Breakdown July 22 - 23

From July 22nd through July 23rd, Grand Traverse County Health Department completed **14** case investigations for confirmed COVID-19 cases. The following is information known at this time:

- All **14** cases are primary residents.
- Ages:
 - 0-19 2
 - 20-29 2
 - 30-39 1
 - 40-49 5
 - 60-69 4
- Symptomatic: **12** Asymptomatic: **2**
- **5** are linked to travel either into or out of the area as reported during the case investigation
- **6** are linked to large group gatherings or social events
- Approximately **50** close contacts were identified, notified, and instructed to quarantine.
- **8** cases were known close contacts to other positive cases

Case Investigations were also completed on **2** probable cases (individuals who were close contacts of a positive COVID case who became symptomatic during their quarantine).

For Friday, July 24, 2020, Grand Traverse County Health Department is reporting one new confirmed case for a total of 137 confirmed cases, 43 recoveries, 5 deaths, leaving 89 active cases. 5 new probable cases were also added (all symptomatic individuals that are household contacts of confirmed positives), giving us a total of 22 probables. Contact tracing is updated to a total of 821 (and I am sure we are shorting ourselves on that end!) There are no out of county cases and no new community exposures to report today.
