Grand Traverse County reports public exposure site

The Grand Traverse County Health Department would like to inform the public that a place of potential public exposure was discovered while conducting COVID-19 case investigations. See location below.

2 Lads Winery:

Monday, September 14 from 11 a.m. - 6 p.m.

If you were present at this location during the listed time periods, you should self-monitor for COVID-19 symptoms for 14 days since the possible exposure, **particularly if you were not wearing a mask or maintaining 6 foot distance from others.**

Symptoms include: fever, cough, shortness of breath, vomiting, diarrhea, muscle aches, repeated shaking with chills, headache, sore throat and new loss of taste or smell.

Anyone that is self-monitoring as a result should keep away from the public, family, close contacts and roommates as much as possible.
