**Immediate Release:**  
11/07/20

### **Public exposure site reported by Grand Traverse County Health Department**

On Saturday, November 7, 2020, the Grand Traverse County Health Department identified a location of possible public exposure. Below are the dates and times in which a confirmed positive COVID-19 case was present at:

#### Costco Wholesale

Wednesday 10/28/20 from 10 am - 6 pm  
Thursday 10/29/20 from 10 am - 6 pm  
Friday 10/30/20 from 10 am - 4:30 pm

If you were at Costco during the listed dates and times, you should self-monitor for COVID-19 symptoms for 14 days since the possible exposure. Symptoms include: fever, cough, shortness of breath, vomiting, diarrhea, muscle aches, repeated shaking with chills, headache, sore throat and new loss of taste or smell. Anyone that is self-monitoring should keep away from the public, family, close contacts and roommates as much as possible.

Anyone who was identified as a close contact during the case investigation is contacted directly by the Grand Traverse County Health Department individually and told to quarantine.

Please note that regardless of any listed locations, community exposure is happening across Grand Traverse County. Be sure to practice safety measures while out in public, including wearing a mask in public, washing your hands often, maintaining six feet of social distance.
