

## Grand Traverse County COVID-19 Community Update - January 8, 2021

### UPDATES FROM THE HEALTH DEPARTMENT

#### **Vaccine**

On Wednesday, January 6, 2021, Governor Whitmer and the Michigan Department of Health and Human Services announced that those tasked with the responsibility to administer the COVID-19 vaccine throughout the state, MAY move forward into Phase 1B of the tiered vaccination plan.

While we are excited to be granted the go-ahead to vaccinate more members of our community, the Grand Traverse County Health Department **continues** to vaccinate individuals in Phase 1A of the [priority group endorsed by Michigan Department of Health and Human Services and Centers for Disease Control and Prevention](#) as we **prepare** for the Phase 1B group. So far, we have vaccinated individuals including GTCHD staff, EMS, Medical First Responders, and are currently vaccinating all Healthcare workers.

If you fall into the 1A or 1B priority groups, to assist the health department staff in the scheduling of appointments, we have forms on our website at: <https://www.grandtraverse.org/2394> that can be filled out to alert us of you or your organization's interest in receiving the vaccine.

#### **Phase 1A; paid and unpaid healthcare workers**

If you are a paid or unpaid healthcare worker in Grand Traverse County and have not received the vaccine and would like to, please fill out [this form](#) to alert us of your interest.

**Phase 1B; essential workers** (police officers, first responders, frontline state and federal workers, jail and prison staff, pre-K-12 teachers and childcare providers) If you fall into this category of the Phase 1B group, please fill out [this form](#) to alert us of your interest.

#### **Phase 1B; 65 years and older**

If you fall into this category of the Phase 1B group, please fill out this form to alert us of your interest.

**OR**

The Area Agency on Ageing of Northwest Michigan and the United Way of Northwest Michigan have partnered with each other to create a hotline to help assist those in the Phase 1B, 65 years and older group. The hotline number is: 231-715-5557. [When calling the hotline](#), callers will be asked to provide their name, contact information, age, county and whether or not they have transportation to get to and from a vaccination location. They will be contacted back with specifics when they are available.

**Vaccine clinics are invite-only and are scheduled at specific times. There are no walk-in vaccination clinics.**

Michigan residents seeking more information about the COVID-19 vaccine can visit [Michigan.gov/COVIDvaccine](https://Michigan.gov/COVIDvaccine). Locally, go to: [www.grandtraverse.org/2394](https://www.grandtraverse.org/2394) where you may find answers to your questions.

Vaccine is allocated at the national level to each state and then each state distributes vaccine to local health departments and hospitals. Additionally and separately, the Pharmacy Partnership for Long-term Care Program is a national initiative to provide COVID-19 vaccine to the Phase 1A priority groups of long-term care facility residents and staff.

### **Daily Numbers**

The Grand Traverse County Health Department is reporting 49 new cases of COVID-19 for Friday, January 8, 2021, bringing the cumulative total to 3,237 cases.

[Munson Healthcare Foster Family Community Health Center](#) (priority 1 & 2 only)

[Northwest Michigan Health Services](#) (testing all by appointment)

[Rite Aid at Chums Corner](#) (testing all by appointment)

[Walgreens at Chums Corner](#) (testing all by appointment)

[Cherryland Mall \(GTCHD\)](#) (testing all by appointment)

See [Michigan's COVID-19 test finder](#) for more options

Testing sites have capacity and tests are available. Individuals seeking tests can call:

- Their healthcare provider
- The Munson Healthcare Covid-19 hotline: 231-935-0951
- The Michigan COVID-19 hotline: 888-535-6136

If you seek testing, please remember that once you get tested you should not be going out and visiting local shops and restaurants or other public spaces while waiting for test results. Anyone who gets tested for COVID-19 must remember to stay home and away from others as much as possible until they have received a negative test result, or once they have passed their isolation period as advised by the health department if they test positive. The public should also assume the potential risk for COVID-19 exposure when going into any business and should always be wearing masks, social distancing and follow other safety guidelines to reduce the spread in Grand Traverse County.

### **MENTAL HEALTH**

Anyone having difficulties navigating life during the COVID-19 pandemic, you are not alone. MDHHS has a mental health hotline you can access for free and confidential access to counselors 24/7. Language translation is available for non-English-speaking residents who call the counseling line.
