\*Correction to August 10, 2021 minutes: Clerk forgot to put in the minutes that the Commission approved the July 15, 2021 minutes. The correction has been made to the final copy of the August 10, 2021 minutes.

**Motion carried.**

DISCUSSION OF LEGAL OPINION FROM ATTORNEY LAUDERBACH

The Commission discussed the legal opinion from Attorney Lauderbach which indicates that the beginning of the 60 day time line to complete the apportionment maps started on August 12, 2021, when the census bureau released the 1<sup>st</sup> set of data. This puts the deadline to complete the apportionment map by October 11, 2021.

The Commission answered questions from the public regarding the apportionment procedure. Garfield Township and Green Lake Township plan to split precincts due to the number of registered voters reaching the maximum allowed by law. The County GIS will help the townships get the information they need to draw their new precinct maps so the Commission can draw the County Commissioner districts with the updated precincts.

Moved by Trombley, seconded by Moeggenberg, to accept the legal opinion from Attorney Lauderbach.

**Motion carried.**
