TO: Apportionment Commission
FROM: Bonnie Scheele, County Clerk
SUBJECT: County Clerk T-1

The County Clerk's submission for proposed County Commissioner Districts was created in the CCD Redistricting Tool provided by the State of Michigan. The plan complies with MCL 46.404, each district falls within the population tolerance, districts are contiguous, and the variance between the smallest and largest districts is 11.9%.

When creating the map, we did not want to split any voting precincts, but when East Bay Charter Township drew new precinct lines they cut through census blocks in an unpopulated, orphaned, track of land located in the national forest in order to draw the precinct boundary line on a road. We are unable to split census blocks so our reapportionment map puts this orphaned track of land in a different district than the rest of that precinct. Since there is no population in these census blocks, it should not be an issue.

A map of the proposed districts is attached and can be viewed in the CCD Redistricting Tool. Below is the written narrative describing each district:

District 1 - Peninsula 1 & 2, and Traverse City 8 & 9 (population 11,040)
District 2 - Garfield 5 and Traverse City 1,3 and 10 (population 10,896)
District 3 -Garfield 2, 4, and 7 and Traverse City 7 (population 10,647)
District 4 – Blair 1, Green Lake 1, Long Lake 1 & 2 (population 10,692)
District 5 – Grant, Mayfield, Green Lake 2 and Long Lake 3 (population 10,924)
District 6 – Blair 3, Garfield 1, 3 & 6 (population 10,360)
District 7 – Blair 2 & 4 and Paradise 1&2 (population 9,950)
District 8 – East Bay 1, 2 & 5 and Acme 1 and **unpopulated track of land from East Bay 4** (population 10,239)
District 9 – East Bay 3 & 4, Acme 2, Fife Lake, Union and Whitewater (population 10,490)

*All Plans use the precinct boundaries approved in September 2021 by Garfield and East Bay Township respectively.

Range of Deviation 10.3%
