STATE OF MICHIGAN
MICHIGAN TAX TRIBUNAL
SMALL CLAIMS DIVISION

Thomas Otten,

Petitioner

v

Paradise Township,

Respondent

Docket No. 108137

OPINION AND JUDGMENT

PRESENT: Leonard D. Proctor
Tribunal Judge

THIS CAUSE was heard at Traverse City, Michigan on November 1, 1988.

FINDINGS OF FACT

1. The property is located in the Township of Paradise, County of Grand Traverse, State of Michigan.
2. The 1987 assessment as confirmed by the Board of Review is \$12,050.

The 1988 assessment as confirmed by the Board of Review is \$12,050.
3. The property is classified as residential, real property.
4. The uniformly applied average level of assessment in the assessing district for the tax year of 1987 is 50.00% and for the tax year of 1988 is 50.00%.

Petitioner's evidence consisted of testimony, 3 photographs; appraisal by R. Whiting Associates (considers land only); 2 maps.

Respondent's evidence consisted of assessment record sheet, subject; land value and budget appraisal; testimony.

Having considered all the evidence and testimony presented, we find that the true cash value of the subject property is \$22,080 for the 1987 tax year and is \$22,080 for the 1988 tax year. We have applied the market approach, having found it to be the most appropriate approach under the facts of this case.

CONCLUSIONS OF LAW

Section 37 of the Tax Tribunal Act provides in pertinent part:

(1) In arriving at its determination of a lawful assessment, the tribunal shall determine the amount by multiplying its finding of true cash value by a percentage equal to the ratio of the average level of assessment in relation to true cash values in the assessment district.

(2) The lawful assessment as determined by the tribunal shall be subject to equalization and shall be equalized by application of the equalization factor which is uniformly applicable in the assessment district for the year in question, which, after equalization, shall not exceed 50% of the true cash value of the property on the assessment date.

(3) The petitioner shall have the burden of proof in establishing the true cash value of the property, and the assessing agency shall have the burden of proof in establishing the ratio of the average level of assessments in relation to true cash values in the assessment district and the equalization factor which was uniformly applied in the assessment district for the year in question...MCLA 205.737.

True cash value, or "cash value", is defined in Section 27 of the General Property Tax Act as follows:

As used in this act, "cash value" means the usual selling price at the place where the property to which the term is applied is at the time of assessment, being the price which could be obtained for the property at private sale, and not at forced or auction sale...MCLA 211.27.

As the Michigan Court of Appeals noted in Ramblewood Associates v City of Wyoming, 82 Mich App 342 (1978), the advantages and disadvantages of location, quality of soil, zoning, existing use, present economic income of the structures, quantity and value of standing timber, water power and privileges, mines, minerals, quarries, and other valuable deposits are factors to be used as guidelines in determining the fair market value, or true cash value, of property for tax purposes.

The Court also noted, in Consumers Power Company v Big Prairie Township, 81 Mich App 120 (1978); lv den 403 Mich 48 (1978), that, for tax assessing purposes, true cash value need not be determined exclusively by reference to the usual selling price. The Tribunal may use market analysis, reproduction cost less depreciation and capitalization of income. However, the method

that is selected must be the one most likely to yield accurate results and be most appropriate to the individual case.

We conclude that, based on the facts of this case, the market approach is the one most likely to yield accurate results and is the one most appropriate to this case.

JUDGMENT

IT IS HEREBY ORDERED AND ADJUDGED that the true cash value and lawful assessment shall be:

<u>YEAR</u>	<u>TAX I.D. NUMBER</u>	<u>TRUE CASH VALUE</u>	<u>RATIO</u>	<u>ASSESSMENT</u>
1987	28-10-125-006-00	\$22,080	50.00%	\$11,040
1988	28-10-125-006-00	22,080	50.00%	11,040

IT IS FURTHER ORDERED AND ADJUDGED that the assessor shall correct or cause the assessment roll for 1987 to be corrected to reflect an assessment of \$11,040 and for 1988 to be corrected to reflect an assessment of \$11,040, subject to the processes of equalization, within 20 days after entry of this Judgment. The resulting assessment, as equalized, shall not exceed 50% of the Tribunal Judge's finding of True Cash Value.

IT IS FURTHER ORDERED AND ADJUDGED that the tax collecting officer having the roll in his possession shall correct or cause the tax roll and tax bill to be corrected in accordance with the above-ordered correction of assessment and as is appropriate, shall collect taxes any applicable interest or issue a refund within 20 days after entry of this Judgment. A refund shall include a proportionate share of any property tax administration fees paid, a proportionate share of penalty and interest paid on delinquent taxes and interest shall accrue from date of payment of tax at the rate of 9% per year.

The property tax code is 28-10-125-006-00 and the school districts are Kingsley Public and Traverse Bay Area Intermediate.

Tribunal Judge
