

June 2023

Great job residents of Grand Traverse County!
Because of your efforts we were able to reuse, recycle or
properly dispose of
**139,086 pounds of Household Hazardous Waste and 2 Semi
Trailers full of Scrap Tires** at our special collection events in 2022.

HHW Event Dates for 2023

([Sign up](#) will be available online approximately one month before each event.) Appointments are required

Thursday, April 13th **31,761 lbs. Collected**

Thursday, May 11th **25,382 lbs. Collected**

Thursday, June 22nd **[Open for Sign up](#)**

Thursday, August 10th

Saturday, September 16th

What Can I Bring to a Household Hazardous Waste Event?

[Click Here.](#)

Illegal Dumping in Grand Traverse County will not be tolerated. If you are going to use any of the Single Stream Recycling Sites provided by GFL/American Waste, you must follow the rules. It is very simple. Only the items listed on the bins, can be placed in the bins. If the bins are full, you'll either need to use another site, or come back after they have been emptied. No items can be left on the ground. Please follow the rules so we can keep these assets to our community in place.

The Keystone Brush Site is open for the 2023 season!

The Brush Site is now accepting Credit Cards as a form of payment.

Please note that the site is closed on all major holidays and for severe weather conditions.

Brush Site information and hours of operation can be found by clicking [here](#).

FREE TV Recycling!

The Grand Traverse County (GTC) [RecycleSmart](#) program is happy to announce that in partnership with [Bay Area Recycling for Charities](#), GTC residents are able to bring your old TVs and Computer monitors to BARC's facility at 466 US 31 South, to be recycled, free of charge. This program is for Grand Traverse County Residents only and is limited to 1 TV per household, up to 250 TVs total (1 Semi Trailer full!). You must have proof of residency to participate. For more information, call BARC at 231-632-2272 or visit their website [here](#).

Adopt A Recycling Site!

RecycleSmart is looking for **Recycling Champions** to help keep the 24/7 Single Stream Recycling Sites clean. Individuals, groups, businesses or

other entities, are encouraged to contact the RecycleSmart office at 231-632-5162 to learn more about how you can help keep these valuable resources, in their place, in our community.

Recycle right or lose it!

If you find a recycling site is full, please come back another day, or use one of the other [6 sites](#) located within the county.

Please spread the word. **Items must never be left on the ground.** If the sites continue to be misused, not only will the abusers be held accountable, but we run the risk of losing these great assets to our community.

To learn more about what can and can't be recycled, please visit the link below.

Back Logo and you will
be magically
transported to the Take
it Back Directory!

If you are unable to find a solution
on the directory, please contact
the Resource Recovery
Department and we'll be sure to
help you out!

Smoke Alarm Drop Off Program

The GTC Resource Recovery Department and the Grand Traverse Metro Fire Department have teamed up to bring GTC residents a Smoke Alarm Drop Off program.

You may now bring your old smoke alarms to either

the Grand Traverse Metro Fire Administration at 897 Parsons Rd. in Traverse City or the Grand Traverse Metro Fire Station #11 at 3000 Albany Dr. in Traverse City during their normal hours of operation.

The drop off containers are located just inside the main entry doors. It is recommended that smoke alarms be tested monthly, the batteries replaced bi-annually and whole units replaced every 10 years. Batteries can be brought to any of the 9 drop off locations (listed below) around GTC. Please contact the Resource Recovery Department if you have any questions.

Drop Off Battery Recycling

**BE SURE TO TAPE ALL YOUR BATTERY TERMINALS
(CLEAR MASKING TAPE PLEASE)**

Batteries from Grand Traverse County residents are accepted at any of the battery drop off locations. Batteries from commercial businesses or nonresidents are not accepted. Businesses may bring batteries to the Household Hazardous Waste Collection events.

Battery drop off boxes are at the following locations:
