Grand Traverse County Health Department Announces Walk-in Clinic Dates
Convenient and easy access for community members

The Grand Traverse County Health Department (GTCHD) is hosting a few adult COVID-19 and flu vaccination walk-in clinics in February for the community.

“It’s not too late to get your flu or COVID-19 vaccine,” said GTCHD Communicable Disease and Immunization Supervisor Jacalyn Money-Bruno, MPH, BSN, RN, CIC. “These viruses are circulating in our community and the vaccines can prevent illness or decrease the severity of illness.”

GTCHD’s walk-in clinics are on the following dates and will be held at our building on 2600 LaFranier Road in Traverse City.

Thursday, February 8th

8:30 a.m. to 4:00 p.m.
(closed noon – 1:00 p.m.)

Thursday, February 15th

8:30 a.m. to 4:00 p.m.
(closed noon – 1:00 p.m.)

Thursday, February 22nd

8:30 a.m. to 4:00 p.m.
(closed noon – 1:00 p.m.)

Thursday, February 29th

8:30 a.m. to 4:00 p.m.
(closed noon – 1:00 p.m.)

Most insurance plans cover both flu and COVID-19 vaccines. There are programs in place at GTCHD to cover the cost of most vaccines if a client is not insured. Clients are asked to bring their insurance cards with them.

For questions or more information regarding vaccinations, call us at 231-995-6131 or consult with your primary care provider.
