**Instructions:**

① Write the name of the facility where the solid waste was delivered.

② Record the amount of solid waste hauled to each designated facility.  Separate the amount by category type – commercial, residential, industrial/other.  Enter "0" when no activity occurred.

③ Check the box that describes the unit of measure for the amount entered on the form.

④ Check the box to identify whether the material was hauled loose or in a compactor truck (compacted).
