### Instructions:

- ① Write the name of the facility where the yard waste was delivered.
- ② Record the amount of yard waste hauled to each designated facility. Separate the amount by category type – commercial, residential, industrial/other. Enter “0” when no activity occurred.
- ③ Check the box that describes the unit of measure for the amount entered on the form.
- ④ Check the box to identify whether the material was hauled loose or in a compactor truck (compacted).
- ⑤ Check the box that best describes the type of yard waste hauled.
