### NOTES

- **Adjacent Residential permits:** First permit at full price, up to two additional permits at 50% cost. Parcels must be adjacent with the same contractor and/or owner. Projects must run concurrently. Fees will be averaged across the number of total permits. Eligibility is determined by Department.
- **Refunds:** If a permit is cancelled before issuance, the permit fee(s) paid less the stated application fees will be returned. Please note that there are NO REFUNDS once a permit has been issued.
