MEDIATION EVALUATION

The Court relies upon mediation as an alternative dispute resolution process. Mediation enables the Court to streamline its docket by enabling people to take advantage of this timely and affordable alternative to the litigation process. Through mediation, people are empowered to control the outcome of their disputes.

The Court approves mediators to mediate Court cases based on their character, experience and training. In order to maintain the quality of the Court-annexed mediation services and the list of the best possible mediators, the Court strongly encourages participants and their attorneys to provide feedback. Please fill out the questionnaire below and return it to the ADR Clerk, Trina N. Girardin, at the 13th Circuit Court, 328 Washington Street, Suite 300, Traverse City, Michigan 49684; or tgirardin@13thcircuitcourt.org.
